Date of Accident - Jan. 02, 2016

I just came onto West Pond Road after me, my girlfriend and I, got about one and one half blocks onto West Pond Road. Casey came shooting up beside me like she wanted to pass and before she cleared my car she cut across me like she was going to get onto Route nine north, she cut across me and I hit her back tire, then she went back into the left lane and took off. I got behind her and started blinking my lights and ~~and~~ blowing my horn to try to get her to stop. She went all the way down to Florida Grove Road before she decided to stop. She got out of the car calling my girlfriend all kind of Bitches. I took about one hour before the Police came. I believe that she was high.

I was coming off of Rt. 9 to West Pond Road. As I was going over the bridge on West Pond Road, about one block or one block and one half a lady pulled along side of me like she was going to pass me. Before she clearly passed me she crossed over into my lane then I hit her then she went back into the left lane and took off. Two cars were in front of her and she had to stop at the light. license plate down and she went
five or six blocks and decided to stop.

I called the Police two or
three times and told them what
was going on.

I told them that she was leaving
the scene of the accident.

It took the Police about one
hour to come.

I explained to him what had
happened right in front of the lady
and she didn't deny it or reply at all.

Then the police officer asked me,
are you sure that was the spot
she hit you that on her car?

I said, I guess so because it
was getting dark then he showed
me the spot that was hit by
the back wheel of her car.

I knew it was the back
wheel of her car area.

I told him that I didn't see
any other spot at that time.

I agreed because I saw the
white paint on the wheel of her car.
The officer wrote down that
where the car was hit that I
was coming onto West Pond road.

It happened about one block and
one half after I got onto West
Pond road.

As I was going over the bridge,
I believe she was trying to

I started blowing the horn and
blinking the lights.

He took everything that I
told him and turned it around.

that was very wrong.
I went to the Police Station five
or six times to try to get them
to correct this but they refused.
They said they couldn't do
anything with that.

She hit me and then left
the scene of the accident.

SMALL CLAIMS SUMMONS

YOU ARE BEING SUED!

IF YOU WANT THE COURT TO HEAR YOUR SIDE OF THIS CASE, YOU MUST APPEAR IN COURT. IF YOU DO NOT, THE COURT MAY RULE AGAINST YOU. READ ALL OF THIS PAGE AND THE NEXT PAGE FOR DETAILS.

In the attached complaint, the person suing you (who is called the *plaintiff*) briefly tells the court his or her version of the facts of the case and how much money he or she claims you owe. You are cautioned that if you do not come to court on the trial date to answer the complaint, you may lose the case automatically, and the court may give the plaintiff what the plaintiff is asking for, plus interest and court costs. If a judgment is entered against you, a Special Civil Part Officer may seize your money, wages or personal property to pay all or part of the judgment and the judgment is valid for 20 years.

You can do one or more of the following things:

1. *Come to court to answer the complaint.* You do not have to file a written answer, but if you dispute the complaint and want the court to hear your side of the case, you must appear in court on the date and at the time noted on the next page.

AND/OR

2. *Resolve the dispute.* You may wish to contact the plaintiff's lawyer, or the plaintiff if the plaintiff does not have a lawyer, to resolve this dispute. You do not have to do this unless you want to. This may avoid the entry of a judgment and the plaintiff may agree to accept payment arrangements, which is something that cannot be forced by the court. You will have to appear in court on the trial date unless a written agreement is reached and filed with the court.

AND/OR

3. *Get a lawyer.* If you cannot afford to pay for a lawyer, free legal advice may be available by contacting Legal Services at 732-249-7600. If you can afford to pay a lawyer but do not know one, you may call the Lawyer Referral Services of your local county Bar Association at 732-828-0053.

If you need an interpreter or an accommodation for a disability, you must notify the court immediately.
