Re: OPRA Request - For any Lawsuits against Police Department or Police Officers alleging excessive force, civil rights violations, or other injury for period 1/1/2012 to 5/29/2020

Dear Ms. Lorenc:

As Third Party Administrators for the South Bergen Joint Insurance Fund, we conducted a search of our records, for any general liability/police professional lawsuits against the Borough of East Rutherford, the East Rutherford Police Department, and/or any borough police officers, for the period January 1, 2012 through today.

This will serve to confirm that there have been no such lawsuits filed against the Borough of East Rutherford, the East Rutherford Police Department or any East Rutherford Police Officers.

Sincerely,

John E. Markel
Liability Claims Manager
