We were in our lane (right lane) of the circle. All of a sudden we are getting hit on drivers side door of my car. She was in the left lane trying to come to the right lane. We were ahead of her. I called the police. Got out of my car to check damage as Ms. Peters Velled across the circle she needed my information because she needed to leave. A nice EMS gentleman called over to make sure we were OK. We went over to her and she was nasty to him as well. When the cop comes she is hanging on his window since she needs to leave. The officer never took a written statement from me. When he brought my paperwork back, I asked "was this our fault" →

He replies "NO" I finally receive
the report and it is incorrect
placement of vehicles and not
right. I am attaching the new
correct report. When my insurance
company tried to contact Susannah
she was unwilling to cooperate
and was very nasty to her.
And my student is a witness
to the entire incident. (Rainna Biswas.)
