Allodial Aboriginal American, Abu-Bakari Kemokai-Bey Plaintiff/Claimant/Parent of Primary Residence, v. Rachel Latoya Alfred, Primary Defendant Co-Defendants Karen H. Alfred Judge John Tomasello Judge Richard E. Andronici Michele Jones Beth Davis Allison Blake Leah Huff Assistant Prosecutor Bellet	Civil No. (42 U.S.C. 1981) and (42 U.S.C. 1983) COUNTERCLAIM/REBUTTAL AFFIDAVIT OF WRIT OF MANDAMUS
---	---

COMES NOW, Kemokai-Bey, Divine being manifested in the flesh, Sui Heredes (not to be confused with, nor substituted by, Pro Se by unauthorized hand of another). I am an Allodial Aboriginal American.

THIS MATTER coming before the Court on Plaintiffs/Claimant/Affiant's statement that: Rachel Latoya Alfred, Karen H. Alfred, Judge John Tomasello, Judge Richard E. Andronici, Michele Jones, Beth Davis, Allison Blake, Leah Huff, and Assistant Prosecutor Bellet, under (28 U.S.C. 1443) civil right cases and under color of law and/or color of state law, deprived me of my rights, liberty, property, privileges, and immunities secured by the Constitution or laws of the Continental De Jure United States of America which grants me causes of action under (42 U.S.C. 1983). See also: (Title 18 U.S.C. 241) and (Title 18 U.S.C. 242).

I Kemokai-Bey NOTING that the public servants operating through the various corporations mentioned above, and in whole across the Nation, kidnap and collude for profit, which is human trafficking, the Moor American Nationals. Furthermore, when we Moor American Nationals, place our status on the record and demand the dismissal of any and all fraudulent charges pursuant to the Original 13th Bill of Rights Section 12 where it states "those of African descent cannot be members of the union states" therefore the appropriate law, i.e. American Constitution 1791/Treaty of Peace and Friendship 1786 must be applied. We further demand the municipal tribunal [courts] "Delegation of Authority" and we are told, in violation of Res Judicata where it states jurisdiction once challenged must be proven for the record, that the persons operating under the unconstitutional "title" in violation of the American Constitution "Titles of Nobility", "Magistrates/Honorable Judge" that they have jurisdiction, or they have jurisdiction via a statute with no verifiable documentation therefore jurisdiction was/has not been proven for the record. The fact that all Municipal Tribunal Magistrates/Judges knowingly overstepped their boundaries in hearing a case that is clearly outside of their jurisdiction, further compounding their intent to bring injury to the People and with intent to violate the Constitutionally/Treaty secured liberties of all

Moors American Nationals, speak disparagingly on the matter of "ones" Nationality and verbally state on the record that not only does the Nationality of Moors American Nationals "Not matter" but that the Constitution and the provisions instilled in the American Constitution 1791 "does not matter in their court" is a blatant violation of the limited authority and jurisdiction that Municipal Tribunal Magistrates/Judges have as only a Ministerial Officer functioning without "Judicial Authority" as affirmed in the below Supreme Court Res Judicata. The arrest of non-custodial parents in which men make up significant majority of "arrestees", is "gender profiling", "gender biased discrimination" and a gender bias hate crime" in that it violates the Equal Protection Clause of the Fourteenth Amendment. A man, pursuant to the Equal Protection Clause of the Constitution for the United States, cannot be arrested in a civil matter as a women is not. There is no escaping the fact that there is no probable cause in a civil matter to arrest or issue body attachment. "Probable cause" to arrest requires a showing that both a crime has been, or is being committed, and that the person sought to be arrested committed the offense. U.S.C.A. Const. Amend. 4. In the instant case, no probable cause can exist, because the entire matter has arisen out of a civil case. Therefore, seeking of body attachment, bench warrant, or arrest by the Petitioner (or her attorney), and/or issuing of the same by the court, in this civil case would be against the law and the Constitution. All public servants so notified of the above Constitutional Violations and did nothing are all guilty of collusion, co-conspiracy, and treason and in violation of (42 USC §1983), (18 USC § 241), (18 USC § 242), (18 USC § 245).

I Kemokai-Bey INFERRING and PLEAD It is clear that all magistrates acting outside of their jurisdiction, are clearly incompetent to hear this matter as they do not know or intentionally ignored the many United States Supreme Court Res Judicata regarding child support, issuing arrest warrant, body attachment, and warrants in relation to issues of child support as affirmed in Ex parte Davis, 344 SW 2d 925 (1976) : Federal statutes guarantee protection (to the Respondent) for having "imputed income" orders. Furthermore, these statutes provide (to the Respondent) protection of his rights to be free from unlawful child support or any kind of garnishment. That, child support is a civil matter and there is no probable cause to seek or issue body attachment, bench warrant, or arrest in child support matters because it is a civil matter. Every U.S. Court of Appeals that has addressed this issue, has held that child support is a common, commercial (and civil) debt, See, U.S. v. Lewko, 269 F.3d 61, 68-69 (1st Cir. 2001)(citations omitted) and U.S. v. Parker, 108 F.3d 28, 31 (3rd Cir. 1997); Allen v. City of Portland, 78 F.3d 232 (9th Cir. 1995), the Ninth Circuit Court of Appeals (citing cases from the U.S. Supreme Court, Fifth, Seventh, Eighth, and Ninth Circuits) "by definition, probable cause to arrest can only exist in relation to criminal conduct; civil disputes cannot give rise to probable cause"; Paff v. Kalichbach, 204 F.3d 425, 435 (3rd Cir. 2000) (Fourth Amendment prohibits law enforcement officer from arresting citizens without probable cause. See, Illinois v. Gates, 462 U.S. 213 (1983), therefore, no body attachment, bench warrant or arrest order may be issued.

I Kemokai-Bey ACCORDINGLY Submit this Writ of Mandamus to order all Magistrates/Judges of all municipal ministerial tribunal operating as courts with Judicial Authority, to enforce this Affidavit as the Affidavit of Fact, Averment of Jurisdiction/Quo Warranto submitted (11/21/2017) filing #'s: 7016 3560 0000 7186 3694, 7016 3560 0000 7186 4264, 7016 3560 0000 7186 3656, 7016 3560 0000 7186 4226, and 7016 3560 0000 7186 4202 was not answered. In support of this demand I state for the record the following: "When a judge acts as a trespasser of the law, when a judge does not follow the law, the judge loses subject-matter jurisdiction and the judges' orders are void, of no legal force or effect. The U.S. Supreme Court, in Scheuer v. Rhodes, 416 U.S. 232, 94

S. CT. 1683, 1687 (1974) stated that when a state officer acts under state law in a manner violating the Federal constitution, he "comes into conflict with the superior authority of that Constitution, and he is in that case stripped of his official or representative character and is subjected in his person to the consequences of his individual conduct. The State has no power to impart to him any immunity from responsibility to the supreme authority of the United States." [Emphasis supplied in original]. By law, a judge is a state officer. The judge then acts not as a judge but as a private individual (in his person). Scheuer v. Rhodes, 416 U.S. 232, 94 S.Ct. 1683, 1687 (1974). In so refusing to honor the Averment of Jurisdiction/Quo Warranto all magistrates have violated their oath of office to uphold the American Constitution 1791 and by their action proven that they do not have the required "Delegation of Authority" from Congress to have judicial Authority as affirmed in the aforementioned Res Judicata. Burns v Sup Ct SF, 140 Cal 1. If a person is arrested on less than probable cause, the United States Supreme Court has long recognized that the aggrieved party has a cause of action under (42 U.S.C. 1983) for violation of Fourth Amendment rights. Pierson v. Ray, 386 U.S. 547, 87 S.Ct. 1213 (1967). Harlow v. Fitzgerald, 457 U.S. 800, 818 (there can be no objective reasonableness where officials violate clearly established constitutional rights such as (a) United States Constitution, Fourth Amendment (including Warrants Clause), Fifth Amendment (Due Process and Equal Protection), Ninth Amendment (Rights to Privacy and Liberty), Fourteenth Amendment (Due Process and Equal Protection)).

I Kemokai-Bey FINDING that this claim is short and plain, making the litigation more manageable through a more controlled discovery. This claim complies with (Rule 8).

I Kemokai-Bey ALSO NOTING Evidence of denationalization, as well as treason as they are in fact of law sitting in the position of public servant, therefore as such their bound obligation is to protect the People, instead they seek to convert the flesh and blood being, Moor American National, into a corporation pursuant to the unlawful 14th Amendment which applies only to corporations - Blacks law 4th edition, "persons apply to corporations pursuant to the 14" Amendment." The use of such instruments (body attachment, bench warrants, arrest, etc.) presumably is a method to "streamline" arresting people for child support and circumventing the fourth amendment to the United States Constitution, and is used as a debt collecting tool using unlawful arrests and imprisonment to collect a debt or perceived debt. Under U.S. v. Rylander ignorance of the order or the inability to comply with the child support order, or as in this case, to pay, would be a complete defense to any contempt sanction, violation of a court order or violation of litigant's rights. United Nations Convention on the Prevention and Punishment of the Crime of Genocide entry into force 12 January 1951 Article II

(b) Causing serious bodily or mental harm to members of the group.

(c) Deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part. (The separation and destruction of the family unit).

Today the commodity they use to barter with and extort credit is the People, specifically the Moors of North America Aboriginal Indigenous to the land, with a focus on the Sons, Males. The fact that this is a civil issue and therefore NOT an arrestable offense is absolute evidence of "Hate Crimes".

FURTHERMORE: The 5th Amendment required that all persons within the geographical land mass boundaries of the De Jure United States of America must be given due process of the law and equal protection of the law. CFR 72.11 further affirms that all corporations unlawfully operating as "government" are in fact engaging in "Treason" as they state in this policy, "All crimes

are commercial" and then further impose various unlawful alleged charges on the People where there is no Corpus Delecti, flesh and blood being bringing the charge, in fact the alleged charge is brought/manufactured by the public servant. Clearly the intent is to generate revenue at the expense of the People which is human trafficking. The target market for these violations, Moors of North America unlawfully denationalized by foreign European aliens and branded negro, colored, black, African-American. Genocide in that the public servants, magistrate, took great delight in warring against a specific group of People. "It is not the duty of the police to protect you. Their job is to protect the Corporation and arrest code breakers. Sapp v. Tallahassee, 348 So. 2nd. 363, Reiff v. City of Philadelphia, 477 F.Supp. 1262, Lynch v. N.C. Dept of Justice 376 S.E. 2nd. 247." Rodney-Dale; Class v. NORTH CAROLINA DEPARTMENT OF TRANSPORTATION, Police department is not an agency of the STATE."

Analysis

Today we have Moors who are currently being Falsely Imprisoned/Kidnapped then warehoused as cargo in a new industry that generates billions of dollars worth of credit for all corporations, at the expense of the Aboriginal Indigenous People of the land, the Moors of North America. Many of the Sheriffs operate as little more than co-conspirators with the Police corporations, municipal corporations et al, and the magistrate/public servants of the unsanctioned municipal tribunal [courts], which are absolute foreign Roman venues operating for profit and foreign to the American /Amexem land and the American Constitution 1791. Clearly they are accepting bribes to violate the People thereby violating their "Oath of Office". "That judgment is void and may be attacked at any time in the same or any other court, by the parties or by any other person who is affected thereby." It is also clear and well established law that a void order can be challenged in any court at any time." People v.Wade, 116 Ill.2d 1, 506 N.E.2d 954 (1987) The UNITED STATES OF AMERICA and all its sub-corporations doing business as, the STATE OF NEW JERSEY And the COMMONWEALTH OF PENNSYLVANIA, no longer offer a product or service as a means of generating income.

Argument in Support of Writ of Mandamus

FACTS

The alleged charges are:

1. Non-payment of child support.
2. A civil matter where there are two claims on the record. As such there is no lawful charge and/or claim and altering said information to reflect this is falsification of evidence and falsification of documents.
3. State remedies are inadequate.

In order for this to be a criminal issue, there must be a "Corpus Delecti" flesh and blood being, and NOT a corporation as that is Ultra Vires and is repugnant to the Aboriginal Indigenous People of this Continent, Moor American Nationals, as well as the American Constitution 1791.

For a crime to exist, there must be an injured party (Corpus Delicti) There can be no sanction or penalty imposed on one because of this Constitutional right. Sherer v. Cullen 481 F. 945.

"A contract is ultra vires being unlawful and void, not because it is itself immoral, but because the corporation, by the law of its creation, is incapable of making it. The courts, while refusing to maintain any action upon the unlawful contract, have always striven to do justice between the parties, so far as could be done consistently with adherence to law, by permitting property or money, parted with on the faith of the unlawful contract, to be recovered back, or compensation to be made for it. In such case, however, the action is not maintained upon the unlawful contract, nor according to its terms; but on an implied contract of the defendant to return, or failing to do that, to make compensation for, property or money which it has no right to retain. To maintain such an action is not to affirm, but to disaffirm the unlawful contract." Pullman v. Central Transp. Co. 139 U.S. 62, 11 S.Ct. 478, 35 L.Ed. 55

The fact that this issue can only be heard in Supreme Court pursuant to Article III Section II where it states if the party in controversy is the state, the Supreme Court shall have original jurisdiction. Not to mention the fact that all Moor American National Aboriginal Indigenous to the land, as such controversies between a state, or the citizens thereof, and foreign states, citizens or subjects, the Supreme Court shall have original jurisdiction.
