**Plaintiff's Affidavit/Second motion to strike response for Wolf, Richards, Torres and  
seek default judgment in favor of Plaintiff.**

**Notice to the court:** Plaintiff Gloria is not present in this case under "pro se". Pro Se means presenting the person GLORIA SUN JUNG YUN (legal fiction) as own person or trustee or surety or attorney for legal fiction. Plaintiff is a private citizen appears as "sui juris" and/or "private attorney general" cited in Frankenhauser v. Rizzo, 59 F.R.D. (1973). Plaintiff may have English grammar mistake but should read the substance rather than form. If any pleadings and complaint are filed insufficiently, this court must to tell the Plaintiff to correct it and not dismiss the case. Haines v. Kerner 92 Sct 594, also See Power 914 F2d 1459 (11th Cir1990), also See Hulsey v. Ownes 63 F3d 354 (5th Cir 1995). Also See In Re: HALL v. BELLMON 935 F.2d 1106 (10th Cir. 1991).

**Affidavit under oath**

Gloria Sun Jung: House of Yun, tell the truth, whole truth, and nothing but the truth and states:

1. I, Plaintiff Gloria witnessed that no men acted as Governor "Wolf", Secretary of  
Plaintiff's Affidavit/Second motion to strike response for Wolf, Richards, Torres

Transportation "Richards", Secretary of State for the Commonwealth of Pennsylvania "Torres" and Secretary of State for the United States of America (herein "these Defendants") appeared before this court represented by Pennsylvania Attorney General and never have disputed that the Plaintiff cancelled contract for Driver's License, Registration of vehicle, and License plate were issued by the Commonwealth of Pennsylvania agencies for the purpose of "for hire for commercial profit" and Plaintiff were given "corporate benefit"/"corporate privilege" in exchange of waving constitutional rights and God given rights. These Defendants never disputed the fact that Plaintiff cancelled the contracts and contracts are now revoked under these circumstances in June 2015. See return of all originals by a witness. **Exhibit A**. Any documents renewed after this date are also cancelled for usage of 'for hire'.

2. These Defendants never have disputed that Plaintiff's claim of usage of these Commonwealth issued IDs and registration, and license plates are "for hire".

3. These Defendants include secretary of U.S. Department of State never disputed that fact an artificial person/commercial entity GLORIA S YUN is created and it is called 'resident of Commonwealth of Pennsylvania' and 'citizen of United States' which is a subject of federal territory for the commercial activities and an 'agency' for the purpose to enforce police power. Plaintiff is not a person but sovereign people pursuant to Dred Scott v. John F. A. Sandford, 60 U.S. 393 (1857). Police power does not apply even in national emergency.

4. Plaintiff returned the passport to correct the status of GLORIA SUN JUNG (given name: family name YUN) aka "resident/citizen of the United States" even though passport states "citizen/national of the United States". This citizen is the Fourth Amendment citizen who has no protection. *"The privileges and immunities clause of the Fourteenth Amendment protects very few rights because it neither incorporates any of the Billof Rights nor protects all rights of individual citizens."* See Slaughter-House Cases, 83 U.S. (16 Wall.) 36, 21 L.Ed. 394 (1873). See **misleading** identical second passport issued by the U.S. Department of State in September, 2015 when Plaintiff was seeking right to travel passport as secured 'people'. This passport says protection is demanded by the "Secretary of State of the United States of America". **Exhibit B**. This citizen has limited protection as supreme court justice.

5. In lawful due course of common law, these Defendants must to put statement under oath and rebut Plaintiff's all claims as first-hand witnesses regardless they are represented by attorneys. **Pennsylvania Attorney General ("AG") committed fraud on the court and trespasser of law.** *"further the attorney cannot submit the evidences and facts before the court.* **Trinsey v. Pagliaro** D.C.Pa. 1964, 229 F. Supp. 647. *"...the judge told the jury that they were to regard only the evidence admitted by him, not statements of counsel," **Holt v. United States**, (10/31/10) 218 U.S. 245, 54 L. Ed. 1021, 31 S. Ct. 2. AG's clients (officials) failed to response in Plaintiff's Affidavit/Second motion to strike response for Wolf, Richards, Torres*

Magistrate Court and they continued to argue in this court without telling his clients to execute counter-affidavit or settle the matter with relief.

6. AG is representing the officials with people's expense (we the people guarantee the debt by pledging all our land, all valuable assets, and resources) when AG have no immunity by failing to secure the people which are their duties but they continue harassing the people rather than demand their clients to settle the matter. AG is formed with educated attorneys and not comprehend the 'law of the land/common law' bind the people, these attorneys' permission to the BAR must to revoke. **Ignorance of law, there is no excuse.**

7. Attorneys at AG are committing "barratry crime" under the common law by bargain in this court by using the 'rules' with insufficient filings of motions and response with no counter-affidavits of his clients.

8. Since Driver's License and Passport contracts created 'resident or resident alien of District of Columbia (which is known as U.S. citizen) under the operation of 'codes', Plaintiff terminated these contracts and seeking proper 'exemption' IDs and passport to protect Plaintiff as an "American national" who belong to the republican institutions in the several States in union.

9. Plaintiff was not 'licensee' at the time of Mr. Parenty's arrest in Edison, New Jersey on September 21, 2018 due to the cancellation of these commercial contracts and do not have jurisdiction and cannot make any order. ***"Where a person is not at the time a licensee, neither the agency, nor any official, has any jurisdiction of said person to consider or make any order. One ground as to want of jurisdiction was, accused was not a licensee and it was not claimed that he was."*** O'Neil v Dept Prof. & Vocations (1935) 7 CA 2nd 398; Eiseman v Daugherty 6 CA 783.

10. Judge cannot use any motor vehicle code arguments or any IDs issued by the agencies or any pre-determined judgment of that agency ((i.e. traffic tickets with threats for payment and jail terms for non-payment) which Magistrate Court judge did when Plaintiff went to court on February, 2018. He said Defendant must pay xxx or jail term for xxx years: ***"A judge ceases to set as a judicial officer because the governing principals of administrative law provides that courts are prohibited from substituting their evidence, testimony, record, arguments and rationale for that of the agency. Additionally, courts are prohibited from their substituting their judgments for that of the agency."*** AISI v US, 568 F2d 284.

11. Magistrate Court judge lost jurisdiction by being a clerk of 'agencies' such as the Department of Transportation, etc. ***"...judges who become involved in enforcement of mere statutes (civil or criminal in nature and otherwise) , act as mere "clerks" of the involved agency..."*** K.C. Davis, ADMIN. LAW, Ch. 1 (CTP. West's 1965 Ed.) ***"...judges who become involved in enforcement of mere statutes (civil or criminal in nature and otherwise), act as*** Plaintiff's Affidavit/Second motion to strike response for Wolf, Richards, Torres

*mere "clerks" of the involved agency...*" K.C. Davis, ADMIN. LAW, Ch. 1 (CTP. West's 1965 Ed.) All Defendants cannot enforce any further but they are continually harassing the Plaintiff. Plaintiff wrote court documents total of thousands hour perhaps. This need to be compensated.

12. Defendants failed to answer all affidavits and all statements under oath in the record of Magistrate Court and this court. Therefore all Plaintiff claims stands for truth:

- 1) Plaintiff cancelled the Driver's license, Vehicle registration, License plate and U.S. passport created for commercial use 'for hire', and
- 2) Plaintiff is not a **resident or resident alien of the United States** aka **GLORIA S YUN** and subject of federal territory or under the police power.
- 3) Plaintiff demand correction of a sovereign people status since the conversion of top priority American national (sovereign people) into low class citizen for slavery is done for commercial obligation upon Plaintiff for any violation of 'codes' for the purpose of Defendants and agencies' commercial benefits. (All parties get paid from commercial instruments (i.e. traffic tickets and criminal indictment issued against GLORIA S YUN).
- 4) Commonwealth "agency" converted Plaintiff's liberty into corporate privilege for their commercial profits.

13. Two affidavits of government authorized witness herein "Notary" returned the original license and passport back to the Defendants and testified under oath and yet this was never rebutted. See Exhibit A.

14. High official Defendants acted in private capacity lost jurisdiction in Magistrate Court and continue to deny this cancellation of contracts and harass Plaintiff without relief.

15. These Defendants are one of the cause of the Edison Polices' arrest and jailed for 2 hours when she was coming home to Pennsylvania, and then throw Plaintiff out in congested area near high traffic of Route 27 at 1AM in the morning and she was hit by a car at 9AM tried to cross the street to meet family member to get ride home to Pennsylvania and caused Plaintiff's disabled rest of her life with car accident. This all happened since Defendants forced Plaintiff under duress, threat, and coercion to register the household goods and renew the license in order to take the impounded household good. This could have avoided by these Defendants if Plaintiff's IDs were marked 'exempt/do not detain' in State IDs. for safe travel from the police power in federal territory zone (made all highway a federal territory by federal funding) within the sovereign states.

16. Driver's license is required only to the person not 'expressed' in 75 Pa. C.S. §1501 "*no person, except those expressly exempted, shall drive any motor vehicle upon the highway ....*". PLAINTIFF DOES NOT **DRIVE** (one who get paid for carrying goods and services) A **MOTOR VEHICLE** (collect fee for commercial purpose). Plaintiff sent numerous notices under Plaintiff's Affidavit/Second motion to strike response for Wolf, Richards, Torres

"American National Peoples of Creator" and expressed for exemption and Plaintiff had this association's ID and license plate. But ignorant Police Mr. Peranty arrested Plaintiff regardless.

17. Secretaries of State in all States include Pennsylvania never disputed the fact that "American National People of Creator" (private republic association of American nationals) sent notices to all 50 States' Secretaries that the travelers with private household goods (cars) put them in the 'DO NOT DETAIN' and 'exempt' for non-hire activities for using highway. All are documented in Magistrate Court and this court. **Secretaries of 50 States agreed by acquiescence.**

18. Mr. Parenty ignored this fact without investigation and decided to pursue and arrested Plaintiff. This was document in the court record but all Defendants decided to continue bad behaviors.

19. AG is appointed to work for the 'people' and nothing but a 'people' but these attorneys refused to precede in common law since the State does not have injury and most likely to loose with no claim.

20. Federal Judiciary Code is made for common law proceeding for States or Federal courts must to give common law in any commercial maritime) per 28 U.S.C. §1333: Saving's Suits Clause (law of the land). Magistrate Court and all Defendants failed to do so and lost jurisdiction in Magistrate Court. Plaintiff never waived common law rights to protect herself.

21. Defendants are not 'holders in due course' and lost jurisdiction since evidences of contracts such as copies of applications made from originals in hand under oath was never entered into the courts. Washing Mutual et al are not a *holder in due course* of the contract with Wallace Wallace v. Washington Mutual et. al. 683 F.3d 323, 326 (6th Cir. 2012). Wallace case is mortgage but this applies to any other agencies or instrumentality of government for 'want of consideration'. In Plaintiff case, genuine applications signed in real "pen" are required with evidence of contract include documents provide for full disclosure at the time of signing.

22. Plaintiff is not a government employee or taken an office of a 'person' or 'public trust' or 'agency' and is not obligated to bind by the federal rule if it violates her unalienable rights: ***"All codes, rules, and regulations are for government authorities only, not human/Creators in accordance with God's laws. All codes, rules, and regulations are unconstitutional and lacking due process..."*** Rodriques v. Ray Donovan (U.S. Department of Labor) 769 F. 2d 1344, 1348 (1985).

23. Matthew Skolnik, deputy Attorney General filed a response to Plaintiff's motion to strike and sanction, stated in page 2, ***"Mr. Enerson, is the attorney for the Commonwealth Defendant in this case"***. Attorney filed without his clients' statement under oath (artificial person cannot do oath but officials of that corporation can), failed to be the attorney in this proceeding Plaintiff's Affidavit/Second motion to strike response for Wolf, Richards, Torres

and never said his clients did not 'injured' the Plaintiff. Therefore Mr. Enerson failed to be the attorney for Commonwealth as well as Matthew Skolnik. Common law, injury must prevail and only Plaintiff is injury party from this unlawful arrest. *"injury in fact," that the injury is "fairly traceable" to the actions of the defendant, and that the injury will "likely be redressed by a favorable decision."* Lujan v. Defenders of Wildlife, 504 U.S. 555, 560-61 (1992) (explaining that the constitutional minimum of standing contains three elements: (1) an injury in fact (2) that is both fairly traceable to the defendant and (3) that a favorable decision will redress); accord Bennett v. Spear, 520 U.S. 154, 162 (1997).

24. Defendants never disputed the facts that Plaintiff's doctor's notes showed the disable body in the court record and Plaintiff was in the Magistrate Court with clutches for the court hearing on February 2018 and Magistrate Court and the Defendants refused to dismiss the case and Magistrate Court failed to give impartial hearing with finding facts and conclusion of law and grant relief.

Failure of all Defendants to bring genuine applications for driver's license original creation date approx. 1978 to present for 'renewals' thereafter and genuine passport applications creation date approx. after 1985 (state citizen must have been created by naturalization) as 'holder in due course' or **these Defendants include any 'high position officers of New Jersey State' cannot be dismissed from this court before settle this case with relief to Plaintiff.**

Wherefore no attorneys cannot 'represent any Defendants in this case' by failed to admit the lawful pleading with counter-affidavits. Further all Defendants must to prove that genuine contracts are in hand and evidences of full disclosure were given at the time of all contracts signed in government forms. No image reproductions are consenting by Plaintiff for proofs. Failure to provide proofs for license and passport contract (genuine notes), Default judgment will be executed against all Defendants and Plaintiff has right to enforce the money judgment and demands for 'exemption' for safe travel in highway as relief.

Sincerely submitted,

Gloria Sun Jung Yun, a Private living woman, one of the people of Pennsylvania and a member of the private society "American National People's Creator". All unalienable rights and the common law rights are reserved. All statements and finding facts are believe to be true, tell the truth, whole truth and nothing but the truth.

One the people of these united States of America and acting PAG.
