**Notice of claim against public entities based on tortuous/illegal acts of:**

- patterns of racial profiling and discrimination implemented in Hanover Township, to intimidate minorities such as grievant, to prevent minorities from filing of complaints based on racial bias and profiling, and to incriminate minorities, such as grievant, in retaliation against minorities such as grievant, for filing of civil rights complaints against the white residents and/or police officers employed in the Hanover Township.
- violations of grievant's First Amendment Rights and Equal protection rights on October 20, 2014, by refusing to allow grievant to file legal documents pertaining to grievant's defense in S-2014-000177 action, defamation statements made by the court administrator to the prosecutor, causing new seizure of grievant by way of extended prohibition to travel abroad, harassment and intimidation of grievant by court administrator, by way of use of the police force, after grievant complained to the court administrator, who refused to accept grievant's papers for filing, and during the grievant's conference with the prosecutor during which prosecutor also refused to accept grievant's documents indicating, that the state does not have the jurisdiction over the S-2014-000177, since the date on which the action was removed to the Federal court, and ordered grievant to appear before judge on November 3, 2014, despite grievant's advise of traveling needs during said time.
- fraud relating to the Notice of the first hearing scheduled for October 6, 2014, mailed to the grievant, but returned to Hanover due wrong zip code, after which Notice of warrant for an arrest was issued and mailed to the correct address.
- Fraud, spoliation of evidence, and interference with the civil rights action, committed by the Hanover municipal prosecutor, who in retaliation, recklessly, in wanton and ill will refused to withdraw downgraded S-2014-000177 complaint against the grievant, although he knew, that downgraded charge pertained to unconstitutional New Jersey harassment- based-on-speech law, predicated by false statements made by Krentzlin to officer Magley, about grievant's submission of motion papers to Krentzlin, relating to ESX-L-5242-12 action, to enforce subpoena previously evaded by Krentzlin.

**FACTUAL BACKGROUND**

See description above.

**THE EXTENT OF THE LOSS**

As a direct and proximate result of the reckless indifference to grievant's rights and wrongful, illegal and discriminatory acts and policies of segregation and racial profiling implemented in Hanover Township, in Morris County prosecutor's office, and insufficient training, or deliberate violation of settlement agreement between US Department of Justice and New Jersey State, grievant have suffered damages, racial profiling, violation of his due process rights, equal protection rights, violation of New Jersey LAD, US Civil Rightst Act from 1964 and all above torts.

**THE AMOUNT OF GRIEVANT'S ECONOMIC DAMAGES CAUSED BY  
THE TORTIOUS MISCONDUCT**

It is difficult to quantify at this point the damages grievant will seek. The economic loss suffered by grievant includes but is not limited to the economic loss caused by grievant's illegal seizure and inability to travel to Czech Republic, Slovakia and Germany, to visit family and to teach professional ballroom dance couples in Czech Republic, The amount of economic loss is exceeding \$20,000, plus consequential and special damages.. The teaching in Czech Republic was part of contract relating to the World 10-dacne Professional World Championships in Germany.

## Superior Court of New Jersey

Essex COUNTY  
Law DIVISION

Docket No: \_\_\_\_\_

## CIVIL ACTION SUMMONS

From The State of New Jersey To The Defendant(s) Named Above:

The plaintiff, named above, has filed a lawsuit against you in the Superior Court of New Jersey. The complaint attached to this summons states the basis for this lawsuit. If you dispute this complaint, you or your attorney must file a written answer or motion and proof of service with the deputy clerk of the Superior Court in the county listed above within 35 days from the date you received this summons, not counting the date you received it. (The address of each deputy clerk of the Superior Court is provided.) If the complaint is one in foreclosure, then you must file your written answer or motion and proof of service with the Clerk of the Superior Court, Hughes Justice Complex, P.O. Box 971, Trenton, NJ 08625-0971. A filing fee payable to the Treasurer, State of New Jersey and a completed Case Information Statement (available from the deputy clerk of the Superior Court) must accompany your answer or motion when it is filed. You must also send a copy of your answer or motion to plaintiff's attorney whose name and address appear above, or to plaintiff, if no attorney is named above. A telephone call will not protect your rights; you must file and serve a written answer or motion (with fee of \$135 and completed Case Information Statement) if you want the court to hear your defense.

If you do not file and serve a written answer or motion within 35 days, the court may enter a judgment against you for the relief plaintiff demands, plus interest and costs of suit. If judgment is entered against you, the Sheriff may seize your money, wages or property to pay all or part of the judgment.

If you cannot afford an attorney, you may call the Legal Services office in the county where you live. A list of these offices is provided. If you do not have an attorney and are not eligible for free legal assistance, you may obtain a referral to an attorney by calling one of the Lawyer Referral Services. A list of these numbers is also provided.

CERTIFICATION FOR  
CHRISTINE KRENTZLIN'S  
MOTION TO QUASH PLAINTIFF'S  
SUBPOENA

**RETURN DATE: AUGUST 8th, 2014  
OR SOON THERE AFTER  
AS SET BY THE COURT**

I am an adult over the age of eighteen, and make this certification as follows:

1. I am not a party to this litigation.
2. In/around May I became aware by mail that Peter Ingris was attempting to serve me with a subpoena by mail.
3. I sent a copy of what I had received to my then attorney. A copy of the letter directed to Peter Ingris is attached. Mr. Paul Schafhauser specifically advised Mr. Ingris that he had not properly served the subpoena. (**Exhibit 1** Copy of Paul Schafhausen's letter attached to this certification)

4. Since then he has bombarded Ms Schaaf with unsolicited emails demanding that she cooperate in accepting and complying with his subpoena, then threatening her incarceration should she fail to comply.

5. On July 18, 2014 at my residence the doorbell rang. When I partially opened the door to see who it was, Peter Ingris was standing outside. Based on Mr. Ingris irrational behavior to date I was in fear of my safety and pushed to close the door. Mr. Ingris attempted to force it open and enter my residence. Luckily I was able to shut the door to keep Peter Ingris outside. I called out to Iliyana Schaaf, who was present, to call the police at which time Mr. Ingris rapidly departed.

6. After he had left I found loose papers, consisting of the subpoena to which this motion is directed, left on the porch.

7. There has been no service upon me of this subpoena prior to July 18, 2014. On July 18, 2014 the papers were not delivered to me, but instead were left loose, on the porch of my residence.

I certify that the foregoing statements made by me are true. I am aware that if any of the foregoing statements made by me are willfully false, I am subject to punishment.

Respectfully submitted this 22nd day of July 2014

Re: Ingris v. Krentzlin  
Docket No. ESX-L-5242-12

Dear Mr. Ingris:

As you know, my firm represents Christine Krentzlin in the matter pending in Morris County bearing Docket No. MRS-L-90-14. On May 26, 2014, you emailed me a copy of a "subpoena" for "examination of certain documents in [Ms. Krentzlin's] possession before the above named court at an address designated by [Ms. Krentzlin] on June 5, at 1PM." Please be advised that the "subpoena" is invalid and defective for a number of reasons, including the following:

1. The "subpoena" is invalid and defective because Ms. Krentzlin was not personally served as required under Rule 1:9-3 (as you know, email/mail service does not suffice);
2. The "subpoena" is invalid and defective because you did not include any fee as required under Rule 1:9-3;
3. The "subpoena" is invalid and defective because you did not specify a place as required under Rule 1:9-1; and
4. In any event, the "subpoena" is overly broad, vague and unduly burdensome, seeks matters that are irrelevant to the issues in dispute in Docket No. ESX-L-5242-12, is clearly intended to harass Ms. Krentzlin, and constitutes an impermissible to circumvent the procedural and due process requirements necessary to be followed in the action presently pending before Judge Brennan in Morris County.

In light of the foregoing, the "subpoena" is defective and invalid. Ms. Krentzlin hereby reserves all of her rights, remedies and objections with respect to the "subpoena."

Very truly yours,

LAW DIVISION  
MORRIS COUNTY  
DOCKET NO.: MRS-L-90-14

CIVIL ACTION

**CERTIFICATION OF  
CHRISTINE KRENTZLIN**

CHRISTINE KRENTZLIN, of full age, hereby certifies and states as follows:

I am a pro se defendant in connection with the above-referenced matter.

I respectfully submit this certification in response to Plaintiff's Motion for Change of Venue and to consolidate instant action with SOM-L-1074-14.

Peter Ingris (INGRIS hereafter) has filed the original complaint of this First Amended Complaint on January 06, 2014. Since this first filing INGRIS started to pull me into seven lawsuits until now, chronologically listed below:

**1. INGRIS First Amended Complaint at this court**

On February 7, 2014 INGRIS amended this case which was originally 27 pages long and filed this First Amended Complaint against me. Now the complaint grew to 36 pages and 9 counts. INGRIS added Rogers Dance Center (RDC), Gary McDonald (MCDONALD) and the RDC employee Azamat Evgamukov (EVGAMUKOV) to this MORRIS COUNTY FAC. Together with me they are now again co - defendants in the Federal Court case 2:14-02404-ES-MAH.

**2. Plaintiff's Counterclaim Third Party Complaint at Somerset County Court**

On/around March 10, 2014 INGRIS started the second action against me, RDC, MCDONALD and EVGAMUKOV in a Counterclaim Third Party

Complaint at Somerset County Court Small Claims Division. As my husband's and my financial recourses are limited, I decided to go on pro se, because we could not retain Attorney Paul Schafhauser for a second case.

In this case INGRIS again avers on 23 pages enclosing 6 counts that "In around 2012-2013 KRENTZLIN pursuing her racial views began to defame INGRIS" The plaintiff again describes my alleged malpractice as a "licensed professional, communication and couples consultant/therapist".

Presumably it was INGRIS' intention to reject MCDONALD's claim, because INGRIS owed him money. So INGRIS countersued MCDONALD. In this claim I was properly served. A week before I had to return the papers of my motion to dismiss, this complaint against me was no longer found on the ACMS-List of Somerset County. I called the Clerk's office of Somerset County and was informed that the original complaint filed by MCDONALD against INGRIS was already dismissed without prejudice, because none of the parties had appeared for the trial which had already been scheduled for March 17, 2014. So there was no counterclaim possible.

**3. + 5. INGRIS' Counterclaim Third Party Complaint at Essex County Court ESX-L-0701-14 and his second case at New Jersey Federal Court against me 2:14-cv-03332-WJM-MF:**

**(3) ESX-L-0701-14** Just a few days later, at the Superior Court of Essex County on/around March 12, 2014 INGRIS filed another 46 pages long Counterclaim Third Party Complaint (ESX-L-0701-14) with 9 counts against the Pio Costa Foundation, INGRIS' landlord of the premises where he and his former partner SCHAAF had conducted their business.

Besides others INGRIS again filed this counterclaim against me among 12 other assigned Third Party Defendants. In this case he failed to serve me properly, because he tried to serve me at the dance studio Le Pari in Fanwood, presuming that this dance studio was my "workplace", which it never was. The owner of the studio, Paul Horvath refused to accept the service of the counterclaim papers for me and informed the constable that I had nothing to do with Le Pari. Until today I was never officially served with these papers. I had knowledge of this case, because HORVATH told me about it. In this claim INGRIS asserts that I had breached contract (Count 2) although I never signed any contracts with him or with any of the other parties mentioned in this case. INGRIS also alleges LE PARI ET AL. and I had now taken over his business Dancesport4You (DS4YOU), acted as his employers and so violated New Jersey law against discrimination (LAD). This typically is one of INGRIS' constructs not based on reality or factual occurrences, just to satisfy the laws, which the defendants had supposedly broken.

On April 21, 2014 INGRIS filed a notice to remove this case from the Superior Court by which he purported to remove the case to the Federal Court. In 2012 Ingris had started to file a complaint against the Borough of Caldwell (ESX-L-05242-12). INGRIS intention was to remove this old Essex County case and ESX-L-0701-14 from the Superior Court and to consolidate both

cases in the Federal Court of New Jersey. (See: My Motion to dismiss Plaintiff's Motion for Change of Venue and to Consolidate instant Action with SOM-L-1074-14 p. 6)

**(5) 2:14-cv-03332-WJM-MF** At first it seemed that I was not a party in this newly filed Counterclaim Third Party Complaint at the District Court of New Jersey Case No. 2:14-cv-03332-WJM-MF, but on July 14, 2014 I had to learn that INGRIS again put me on the list of defendants in this matter. I was never properly served in this case. On July 21, 2014 this case was remanded to the Superior Court of New Jersey, Law Division, Essex County, where it had already been dismissed.

**4. INGRIS' first case at New Jersey Federal Court against me:  
2:14-02404-ES-MAH**

On top of the first three cases on/around April, 14, 2014 INGRIS pulled me into this Federal lawsuit, which he already amended on/around May 02, 2014. On 112 pages and 10 counts he asserts against 17 defendants – not including 10 unknown Internet publishers - alleged illegal activities. Overly broad, vague and unduly burdensome he once more presents all well-known counts alleged again in this Federal Court First Amended Complaint which the defendants had supposedly violated. This case is still pending.

**6. INGRIS' third case at Federal Court against me: 2-14-cv-00855-JLL-JAD**

On August 3, 2014 I received an email from INGRIS, that I was now also defendant in his First Amended Complaint at Federal Court case no.: 2:14-cv-00855-ES-MAH. In this case I was not properly served by a constable yet, but INGRIS always tries to avoid these costs. Furthermore it could be that this amended case is denied, because until now he has not asked for a leave to amend the case.

**7. Ingris' newly filed lawsuit against me at the Superior Court of Somerset County SOM-L-1074-14**

On August 1, 2014 INGRIS filed his latest complaint against me reiterating the same well-known accusations against me which he already asserted in the instant action before this court now adding even more frivolous and false statements. Again he has not properly served me yet.

Furthermore, on July 18, 2014 a frightening and embarrassing incident occurred at the entrance of my home. At around noon I heard the squeaking of the glass door which is in front of the house door. The doorbell rang and somebody was banging with his hand against the house door. I approached the door very carefully, trembling in fear and decided to ask in a loud voice, "Who is there?" Although I asked twice, nobody answered. Then I

decided to open the door a bit to have a look who was there. At once I recognized INGRIS' head very close to the crack of the door. I tried to close the door at once, but he pushed hard against it. After a few seconds, against his force, I was able to close the door with a loud noise. He then infuriated, banged two or three times against the door. Iliyana Schaaf who was upstairs had heard the loud noises at the door and now asked whether everything was o.k. downstairs. I told her that it was INGRIS at the door having tried to force himself in and that she must call the police. INGRIS who was still in front of the door, heard this and then Ms. Schaaf recognized him leaving the scene. We both saw him driving away in a white car. We then found subpoena papers on the ground in front of the door. The police arrived a few minutes later, found us both shaking in fear, took all the information and asked INGRIS to come to the police precinct in Hanover Township. INGRIS was then fingerprinted and mug-shot and he then also gave his version of the incident which was completely different of course. INGRIS was then accused by the prosecutor of criminal trespassing which is now downgraded to harassment.

Since December 2013 while experiencing how my true values and convictions were in bad faith attacked and insulted by INGRIS, I feel abused and defamed by every claim, each motion and cross-motion INGRIS files against me. Not only that my husband and I had to spend an enormous amount of money and time to defend me, but as a European I do not understand how someone is allowed to arise such incredible constructs of lies and defamations, vaguely alleging facts without specifying what exactly his defendants have done to him. To me this appears to be a severe abuse of the legal system of the United States of America, because there seems to be nobody who considers INGRIS responsible for what he does to other people. Although I believe in and trust the American legal system that in the end INGRIS will not prevail in his frivolous lawsuits, but after three quarters of a

year I have the feeling, that he has the rights to do all this to me while I have no rights at all.

This finally has to come to an end.

I hereby certify that the foregoing statements made by me are true. I am aware that if any of the foregoing statements made by me are willfully false, I am subject to punishment.
