Narrative:
Narrative On (12/28/2021) the CCTV division received a request for CCTV video from the Grace Sequeira from the Deputy Municipal Clerk. The original police report number 21-145549 and the incident type is Auto Pedestrian - Sig 806 - MED I (S.S.O. Torres T2483) found the results to be negative due to the reasoning this video footage on the cameras only last up to 31 days and the date of the incident exceeded 31 days. I scanned the request into Lawsoft Digital Media under case #21-145549. I scanned this Evidence Retrieval Supplemental report (21-145549B) into infoshare. End of report.
