Sincerely,

New Website

Governor Phil Murphy announced the launch of the [New Jersey COVID-19 Information Hub](#), a new, visitor-friendly website available at covid19.nj.gov.

The New Jersey COVID-19 Information Hub provides New Jerseyans with the most up-to-date information about COVID-19 and the State's response, including information about services such as food assistance and small business assistance.

The New Jersey COVID-19 Information Hub includes a COVID-19 Symptom Checker, so New Jerseyans can receive tailored advice depending on their

symptoms, including information about testing. It will also increase the State's ability to analyze the spread of COVID-19.

The New Jersey COVID-19 Information Hub is accessible via mobile phone and for those with disabilities. All the content is easily searchable via Google and other search engines so the information can be found widely and consistently.

Stay at Home Order & Closure of Businesses

Governor Murphy signed an executive order implementing a "stay at home" order throughout New Jersey. Under this order, all residents are to stay at home or at their place of residence unless they are leaving for the following reasons:

- Obtaining goods or services from essential retail businesses;
- Obtaining takeout or food beverages from restaurants;
- Seeking medical attention, essential social services, or assistance from law enforcement;
- Visiting family or close friends, caretakers, or romantic partners;
- Reporting to or performing their job;
- Walking, running, or engaging in outdoor activities with immediate family, caretakers, household members, or romantic partners;
- Leaving for an educational, religious, or political reason;
- Leaving because of a reasonable fear for health or safety; or
- Leaving at the direction of law enforcement or other government agency.

Governor Murphy's executive order further directs the closure of all non-essential retail businesses to the public, with the exceptions of:

- Grocery stores, farmer's markets and farms that sell directly to customers, and other food stores, including retailers that offer a varied assortment of foods comparable to what exists at a grocery store;
- Pharmacies and medical marijuana dispensaries;
- Medical supply stores;
- Gas stations;
- Convenience stores;
- Ancillary stores within healthcare facilities;
- Hardware and home improvement stores;
- Banks and other financial institutions;
- Laundromats and dry-cleaning services;
- Stores that principally sell supplies for children under five years;

Pet stores;

- Liquor stores;
- Car dealerships, but only for auto maintenance and repair, and auto mechanics;
- Printing and office supply shops;
- Mail and delivery stores.

If you discover a business remaining open or violating another of Governor Murphy's executive orders, you can call 1-800-222-1222 or call 2-1-1 or text "NJ COVID" to 898211.

Red Cross Blood Shortage

The American Red Cross is working to continue delivering its mission, including the collection of lifesaving blood, but they have had a staggering number of scheduled Red Cross blood drives cancelled as more workplaces, college campuses and other venues send people home and encourage social distancing. Disruptions to blood donations can lead to shortages and cause delays in essential medical care.

To learn more about hosting a blood drive for patients in need, please visit [RedCrossBlood.org](https://www.redcrossblood.org). If you know of a site where the Red Cross can host a blood drive, please contact 646-784-4824.

Those who are healthy, feeling well and eligible to give blood or platelets, are urged to make an appointment to donate as soon as possible by using the Red

Cross Blood Donor App, visiting RedCrossBlood.org or calling 1-800-RED CROSS (1-800-733-2767).
