Narrative:

Responded to the above location on a report of a bicyclist struck by a motor vehicle. Upon arrival I observed a bicycle in the roadway near the crosswalk at Brown Ave and North 9th Street. I also observed a Red Toyota Corolla bearing NJ Reg. (SYM26T) in the roadway facing (N) on Brown Ave with a damaged windshield and front end damage. Lt. Portella, Sgt. Vega and Sgt. Canestrino were on scene assessing the victim who was struck by the Corolla. I observed the victim to be laying on his back with severe head trauma and heavy bleeding coming from the back of his head. The subject was not breathing and CPR was initiated by Sgt. Vega and Lt. Portella as I prepared the AED.

The victim was given oxygen through the resuscitation bag (BVM) throughout CPR. Sgt. Canestrino then took over chest compression's with Sgt. Vega administering the BVM.

Dispatch was advised to expedite Paterson Fire and ALS. I then adhered the defibrillator pads to the victims chest and the AED scanned the heart rhythm and advised "no shock". CPR was then reinitiated and dispatch was then advised to expedite ALS once again. ALS 701 arrived on scene and took over and continued CPR. The roadway was then blocked off at Brown Ave/ N.10th and Brown Ave/ N.9th. After a few minutes ALS 701 advised that they would not continue CPR due to victim, who was later identified as Lipon Mohammed Miah becoming deceased. The official pronouncement of death was made by Dr. Cohen from St. Joseph's Hospital in Paterson, NJ at 12:53 hours through ALS 701. Passaic County Sheriffs Department's CSI unit and the Passaic County Prosecutors Office were contacted and requested to respond to the scene. Yellow police tape was set up and the scene was secured for the investigation. The body was also covered as there were small crowds forming nearby. I then spoke to the driver of the Toyota whom was identified as Yancy Wazirmas. Ms. Wazirmas was in visible distress as she was crying and shaking. I asked Ms. Wazirmas if she was injured and wanted to be checked out by the ambulance, to which she said she was not injured and refused medical treatment. Ms. Wazirmas was then placed in the rear of Sgt. Vega's unit (201) due to her vehicle having broken glass throughout the interior of the vehicle. Subsequently, I was able to assess the vehicle awaiting the arrival of CSI and the Prosecutor's Office. I observed a round hole at the top of the windshield just below the roof line. I also observed strands of dark hair and blood stuck in the shattered glass. I also observed spats of blood on the passenger seat and on the hood of the vehicle.

Passaic County CSI detectives Pachella and Cardena arrived and assessed the scene.

Passaic County Prosecutors Det. Krysik, Det. Hammer, Det/Sgt. McConnel arrived and took over the scene.

I was then directed by Sgt. Canestrino to transport Ms. Wazirmas to St. Joseph's Hospital in Paterson in order to draw blood which she volunteered to do so. Ms. Wazirmas then spoke to Det. Hammer who advised her accordingly with her signing a Consent form to draw her blood. SPO1 Gonzalez and I then transported Ms. Wazirmas to the Hospital.

Once the blood sample was collected it was sealed by the nurse and the labels were filled out accordingly. I then responded back to police headquarters and handed over the evidence to Sgt. Canestrino.

The Medical Examiners office arrived on scene to collect the body of the deceased. The family was advised accordingly by the M.E.'s Office and would coordinate with them as far as arrangements with the direction of the Prosecutor's Office. As per the Prosecutors' Office, I gave the personal belongings of the victim (wallet and phone) to the family. (See page 3)

The vehicle and bicycle was then towed by BDJ Towing once the scene was completed and was held as per the prosecuotr's office pending a further investigation of same.

Sgt. Canestrino and I then responded to the Passaic County Prosecutors Office due to Det. Hammer advising he requested this officer to sit in during the interview they were going to conduct with Ms. Wazirmas.

Once the interview was completed Det. Hammer advised Ms. Wazirmas accordingly and she left their headquarters.

Note: SRO Ross was able to view the MV collision which was captured by PS#1's security system. The victim failed to stop at the stop sign. The victim also had headphones in his ears at the time of the accident.
