Good Afternoon:

There is one statewide ballot question up this year which is very important for our New Jersey veterans. After an 18 year journey for veterans groups, we successfully passed the bill out of both houses to reinstate the veterans tax credit for those living in CCRCs.

I ask you to support our veterans and vote YES on Question 1, the statewide ballot question, but take it a step further and consider having your town pass a resolution to support our veterans.

Our veterans have done so much for all of us to serve in office and life freely - this small token of appreciation should be a no brainer.

Please consider passing a resolution in your town supporting the ballot question. Tinton Falls Council President Gary Baldwin, a veteran himself, has been leading this fight for 18 years and is happy to answer any questions you may have. He is copied on the e-mail.

Attached are sample resolutions other towns have passed as well as information on the ballot question.

Thank you for your consideration

Mayor - please meet Joe and Beth with T-Mobile. They are looking to do the potential community engagement and possible donations to Farmingdale and would like to chat with you.

T-Mobile has been helpful to a variety of non-profits and causes here in Monmouth County.

Thanks,

Vin Gopal
State Senator

Would like the opportunity to get 15 mins in order to review some of the programs we have announced that support Small Towns across America.

Subject: Dead Fish Issue

Good Morning:

I am working to try to see if we can secure a vendor to help clean up all the dead fish in some of our Monmouth waters.

If your town has a dead fish issue and you would like to potentially partner in a cleanup effort (I am working to get the state to reimburse the towns for cleanup) please e-mail me ASAP so we can setup a call for Monmouth towns interested.

The County has also been great in potentially allowing us to use equipment.

Thanks,

Vin Gopal
