Pls see below of recent DOT Aid to your town

https://www.state.nj.us/transportation/uploads/comm/news/details/comm_np_20201118_110319_FY2021_Municipal_Aid_Grants_County_by_County.pdf

The competitive Municipal Aid grant program attracted 635 applications from 549 different municipalities with a total of \$342 million requested. Project applications were evaluated and rated on their merits by NJDOT staff and reviewed by an independent panel of New Jersey municipal engineers. This process resulted in 548 awards to 543 municipalities, totaling \$161.25 million. The 2016 Transportation Trust Fund renewal has made it possible to continue to award \$161.25 million annually – more than double the \$78.75 million that was available before the TTF renewal. In addition, the extra funds have allowed the Department to increase the number of municipalities receiving grants from about 370 a year prior to the TTF renewal to 543 municipalities this year.

Good Morning:

I am working to try to see if we can secure a vendor to help clean up all the dead fish in some of our Monmouth waters.

If your town has a dead fish issue and you would like to potentially partner in a cleanup effort (I am working to get the state to reimburse the towns for cleanup) please e-mail me ASAP so we can setup a call for Monmouth towns interested.

The County has also been great in potentially allowing us to use equipment.

Thanks,
