Thank you, Senator. We certainly appreciate that. The meals can be delivered to 201 Broad Street, Matawan. We will have our Borough Administrator, Scott Carew coordinate any details regarding timing or anything else. Once again, thank you for thinking of Matawan and all the employees who have worked nonstop during the pandemic.

Z,

I have been involved in a shared energy aggregation program before. Please send me any documentation that you have that I can share with my governing body. Sample resolutions would also be great.

With the way things are today, I wouldn't put it past your political opponents or those of my governing body to make an issue out of a thoughtful and harmless gesture. I do appreciate the thought.

Municipal Aid

Pls see below of recent DOT Aid to your town

[https://www.state.nj.us/transportation/uploads/comm/news/details/comm_np_20201118_110319_FY2021 Municipal Aid Grants County by County.pdf](https://www.state.nj.us/transportation/uploads/comm/news/details/comm_np_20201118_110319_FY2021_Municipal_Aid_Grants_County_by_County.pdf)

The competitive Municipal Aid grant program attracted 635 applications from 549 different municipalities with a total of \$342 million requested. Project applications were evaluated and rated on their merits by NJDOT staff and reviewed by an independent panel of New Jersey municipal engineers. This process resulted in **548 awards to 543 municipalities, totaling \$161.25 million**. The 2016 Transportation Trust Fund renewal has made it possible to continue to award \$161.25 million annually – more than double the \$78.75 million that was available before the TTF renewal. In addition, the extra funds have allowed the Department to increase the number of municipalities receiving grants from about 370 a year prior to the TTF renewal to 543 municipalities this year.
