Subject: Municipal Aid

Pls see below of recent DOT Aid to your town

https://www.state.nj.us/transportation/uploads/comm/news/details/comm_np_20201118_110319_FY2021_Municipal_Aid_Grants_County_by_County.pdf

The competitive Municipal Aid grant program attracted 635 applications from 549 different municipalities with a total of $342 million requested. Project applications were evaluated and rated on their merits by NJDOT staff and reviewed by an independent panel of New Jersey municipal engineers. This process resulted in 548 awards to 543 municipalities, totaling $161.25 million. The 2016 Transportation Trust Fund renewal has made it possible to continue to award $161.25 million annually – more than double the $78.75 million that was available before the TTF renewal. In addition, the extra funds have allowed the Department to increase the number of municipalities receiving grants from about 370 a year prior to the TTF renewal to 543 municipalities this year.

Thank you,

Senator Vin Gopal

Subject: Ballot Question

Good Afternoon:

There is one statewide ballot question up this year which is very important for our New Jersey veterans. After an 18 year journey for veterans groups, we successfully passed the bill out of both houses to reinstate the veterans tax credit for those living in CCRCs.

I ask you to support our veterans and vote YES on Question 1, the statewide ballot question, but take it a step further and consider having your town pass a resolution to support our veterans.

Our veterans have done so much for all of us to serve in office and life freely - this small token of appreciation should be a no brainer.

Please consider passing a resolution in your town supporting the ballot question. Tinton Falls Council President Gary Baldwin, a veteran himself, has been leading this fight for 18 years and is happy to answer any questions you may have. He is copied on the e-mail.

Attached are sample resolutions other towns have passed as well as information on the ballot question.

Thank you for your consideration

Senator Vin Gopal

Majority Conference Leader
Chairman, Senate Military & Veterans Affairs Committee
11th Legislative District (Monmouth County)

BOROUGH OF TINTON FALLS
COUNTY OF MONMOUTH

R-19-149

RESOLUTION TO URGE VOTERS TO SUPPORT THE REFERENDUM ON THE ELECTION BALLOT IN NOVEMBER, SO THAT VETERANS OR WIDOWED SPOUSES OF VETERANS WHO RESIDE IN CONTINUING CARE RETIREMENT COMMUNITIES (CCRC) WILL BE ELIGIBLE FOR PROPERTY TAX DEDUCTION

WHEREAS, the State Constitution for New Jersey authorizes veterans and widowed spouses of veterans who served in active duty during war and other times of emergency to receive a property tax deduction, in the amount of $250 per year, in well-deserved recognition of their service to our country; and

WHEREAS, veterans and widowed spouses of veterans who reside in Continuing Care Retirement Communities (CCRC) have been unfairly denied eligibility for the $250 property tax deduction because they do not own their units, even though they instead contribute to property taxes through a monthly payment, and even though they have made the same sacrifices as all veterans in our great country; and

WHEREAS, there are twenty-five CCRCs in the State which collectively house approximately 2,500 veterans or widowed spouses who are being denied the property tax deduction, including Seabrook Village in Tinton Falls; and

WHEREAS, Senator Vin Gopal has sponsored legislation (S1331), that has been approved by the Senate and General Assembly, to extend the deduction to veterans and their widowed spouses in CCRCs;

WHEREAS, the extension of the deduction, because it requires an amendment to the State Constitution, must be approved by the voters at the ballot in November before it will become valid and effective; and

WHEREAS, the Mayor and Borough Council now desire to memorialize their support of the referendum on the ballot in November, and to urge the voters of this State to vote in favor of the property tax deduction for veterans and widowed spouses of veterans who reside in CCRCs;

NOW, THEREFORE, BE IT RESOLVED that the Borough Council of Tinton Falls urges voters to support the referendum on the ballot in November 2019, so that veterans and widowed spouses of veterans who reside in Continuing Care Retirement Communities ("CCRC") will be eligible for the $250 property tax deduction.

BE IT FURTHER RESOLVED that the Borough Council believes that this small benefit to our veterans and widowed spouses of veterans who reside CCRCs is a proper and warranted acknowledgment of the tremendous sacrifices that veterans have given to protect and serve our great nation.

Resolution to Urge Voters to Support Referendum on November Ballot

The Mayor and Borough Council of Tinton Falls New Jersey passed a resolution on September 3, 2019 memorializing their support for the referendum on the ballot in November, and to urge the voters of this State to vote in favor of the property tax deduction.

The Borough Council believes that this small benefit to our veterans and widowed spouses of veterans who reside in CCRCs is a proper and warranted acknowledgment of the tremendous sacrifices that the veterans have given to protect and serve our great nation.

NJ State Constitution authorizes veterans and widowed spouses of veterans who served on active duty during wars or other periods of emergency to receive a property tax deduction of $250.

Veterans who reside in CCRCs have been denied eligibility because they do not own their units; however the veteran's CCRC management pays the aggregate tax bill, then passes the tax burden on to those who occupy a residential unit.

The extension of the deduction requires an Amendment to the State Constitution and must be approved by the voters at the ballot in November to become valid and effective.

The Borough of Tinton Falls Council forwarded the memorialized resolution to all municipalities in the state urging each to pass a resolution of support for the question on the November 2019 ballot.
