Carol, can you notify Mike? I don't think he reads his emails. Maybe Eli? He served on the committee with Bruce for years.

Charles or Don, can you notify former VFW members of the service? I don't know of a veteran service.

I know it will mean a lot to the family.

Hi - my family has participated as volunteers at many Lustgarten events in and around Monmouth County. We participated as walkers at your event as well! Today we were at a walk at Rutgers and were allowed to set up table where we "sold" our father's artwork for donations. He died of pancreatic cancer in 2014 and we have 100's of his marker and pen drawings gathered to make available to friends, family and survivors of pancreatic cancer. We offer these pieces free or for a donation of any size. We would so pleased to get permission to offer his artwork at your walk and owuld only require a spot - we can bring all the supplies we would need.

Please let me know if this is something you would allow at your walk - we would f course also register to walk in support of the day!

Thank you - Ali Miller

While I don't have all the previous flyers on my home computer, those that I could find, did *not* the Committee mentioned.

The very first flyer (attached) did include the Committee

If you would, please note that the earliest flyer did not contain nearly as much info as this last one.

My opinion is that the flyer is busy and one more element will be too much. And subsequent press releases will undoubtedly mention the Committee.

So have I convinced you? If no, I will add.

Please advise.

Ocean Grove Home Owners Association

Dear Eric,

Over the past several days, a number of our members have expressed strong opinions about whether the gates to the Wesley Lake footbridges should remain locked between the hours of midnight and 5:00 a.m. It will surprise no one that these views range widely along all aspects of the issue.

Officials from Neptune Township have met with their counterparts from Asbury Park to explore a resolution, but have not yet reached a consensus.

If you feel strongly, one way or the other, about the gates, attend the next meeting of the Neptune Township Committee to share your view with your elected representatives.

The next meeting of the Neptune Township Committee will be held on Monday, July 22, at 7:00 p.m. in the Municipal Building on Neptune Boulevard. At the conclusion of the business meeting, anyone in attendance may speak on any issue for five minutes.

On behalf of the Board of Directors of OGHOA, I encourage all members to attend the next Township Committee Meeting and speak to your elected representatives.

Please share this notice with those of your friends and neighbors who may not be on our mailing list.

All best,

Barbara Burns
President

It was a beautiful ceremony Mayor Lane. Thank you for putting this together. I apologize for having to distance myself. I am returning to the Georgian Court Campus next week and we have been asked to quarantine as much as possible prior to going back. But I did want to be present to honor our most deserving honorees!
