Good Morning:

I am working to try to see if we can secure a vendor to help clean up all the dead fish in some of our Monmouth waters.

If your town has a dead fish issue and you would like to potentially partner in a cleanup effort (I am working to get the state to reimburse the towns for cleanup) please e-mail me ASAP so we can setup a call for Monmouth towns interested.

The County has also been great in potentially allowing us to use equipment.

Thanks,
