Record Request Information

Please be as specific as possible in describing the records being requested. Also, please note that your preferred method of delivery will only be accommodated if the custodian has the technological means and the integrity of the records will not be jeopardized by such method of delivery.

I am requesting legal memorandums received by Township Attorney Joseph Clark from outside counsel law firms regarding the mayoral appointing authority for Shade Tree Commission, Environmental Commission, and Planning Board. (Period of time 1/1/2018 to 1/5/2022.)

Yes, I am also requesting the documents under common law.

Please set forth your interest in the subject matter contained in the requested material:

The Township Attorney and Manager relied upon these legal memorandums to change the appointing authority from the Mayor to Township Manager. There were several members on Shade Tree and Environmental Commissions whose unexpired terms were terminated due to this change in appointing authority. It is a matter of public interest.
