Thanks. One more question. I apologize for so many -

On the one that includes trip cancellation and "for any reason" - does this include the full cost of the trip or ONLY airfare. Trying to determine bc if only air not worth it but if whole cost of trip then might be.

CFAR (cancel for any reason) covers up to 75% of all non-refundable costs. Regarding your Disney and Universal tickets and meals, the theme parks have informed me that I will need to submit a request on everything that is wanting to be refunded. If a refund is granted, we will pass the refund on to you. Since airfare is a non-refundable cost, the cancel for any reason policy will cover up to 75% of the cost.

Thanks again.

Good afternoon everyone!

I am sending this email to all Theatre kids going to Disney, and then any Chorus and Band students who are taking the Disney Broadway Magic Workshop while we are in Disney.

I am very excited to share information about the Disney Broadway Magic workshop we will take while at Disney.

They have sent me sheet music which I have attached to this email. I will also photocopy it for each of you. Additionally, there are links to 2 .mp3 files containing rehearsal tracks of the song; the first is a guide vocal track, the second contains only the accompaniment and background vocals.

Disney is asking that you learn this music *prior* to coming. The expectation I have is that you learn the music on your own. Then on Tues. March 15, from 2-3 pm, you will meet with Mr. Powers in the Band Room, where he will review all of the music with you and you all can rehearse singing it together. Please save this date. It is mandatory for students who are attending the workshop.

Disney expects that all students taking the workshop are prepared to perform any of the principal roles they are offering.

Disney also said "This workshop will primarily focus on the importance of a multi-faceted Ensemble - with opportunities to foster collective ownership of the performance and provide creative and interpretive challenges for the participants. Through inclusive and supportive collaboration, all members of the ensemble will develop a sense of the whole, and feel supported, trusted, and be valued as an integral part of the storytelling process."

Now, I realize that not all of you are singers. And that is okay! Do not stress about this. Just have fun!

I also attached the description that Disney sent which includes directions about the tracks and sheet music. You will notice in the sheet music that there are lines. Do not skip those.

If you have any questions, please let me know.

Hi Carolyn:

It's time to begin rehearsals for your Disney's Broadway Magic workshop! Below is a link to download a PDF that contains links to download the sheet music that your group is to rehearse from "Frozen" - the Broadway Musical. Additionally, there are links to two .mp3 files containing rehearsal tracks of the song; the first is a guide vocal track, the second contains only the accompaniment and background vocals.

Please rehearse the scene before arriving at your workshop; all students should be prepared to perform any of the principal roles as your Disney Teaching Artist will cast the roles as part of the workshop.

This workshop will primarily focus on the importance of a multi-faceted Ensemble - with opportunities to foster a collective ownership of the performance and provide creative and interpretive challenges for the participants. Through inclusive and supportive collaboration, all members of the ensemble will develop a sense of the whole, and feel supported, trusted, and be valued as an integral part of the storytelling process.

We look forward to working with your group! Thank you in advance for your participation.

So they just sent me info on the disney workshop. Apparently, the kids need to learn a song. They sent tracks so they can learn it, but is there any chance that you might be able to review with them prior to us leaving? I was thinking Tues. March 15 from 2-3 pm?

Thanks. I did not get it yet. Only the front of check #3327 came through.

I do see the front and back of check #3325, but that one is already accounted for.

Maybe it is just taking a bit to send.

The check that you emailed me was for the payment that she made in November to Mr. Loeffler. That is already recorded in the spreadsheet that he shared with me.

You made a \$100 deposit in Sept.

You made a \$500 payment in November (the check you attached, check #3325)

You made a \$900 payment in January check #3328

This totals \$1500.

The trip is costing each Chorus student \$2000.

I hope that this all makes sense.

This brings your total paid to \$1500, which means [REDACTED] owes \$500 for the Feb 1 payment.

She came into my room and said that she handed me 2 checks in January. The \$900 one and a \$500 one check #3325. I do not have a record of this second payment.

I reached out to our school banker to have her look for check #3325, but she was not successful in finding it.

All checks have been deposited into the account. This means your \$500 check #3325 should have cleared. Our banker is asking that you send us a record of the check being cashed and she will reach out to the bank. You can just take a photo and email it to me.

Thank you so much!

I just left you a message on your phone about the check for Disney for Chorus for [REDACTED].

For the January payment, I have marked in the spreadsheet: \$900 (check #3328)

ITINERARY

We got an updated itinerary yesterday. Once again, this is TENTATIVE. I have attached it to this email.

FUNDRAISING

• I had quite a few of you reach out to me about fundraising for the Disney trip. As you know, I am also running the theatre Disney trip. After speaking with a few Chorus parents, I have decided to

open the last theatre Disney fundraiser to the Chorus kids. While it is only open for 1 more week, I still thought it might help some of you.

- The theatre kids are currently working on Adopt-a-Performer. I have attached it to this email. It is due Wed. Jan. 26. No later. For you guys, payment would be cash or check to TRN Chorus.
- Basically, students can ask friends, family, and local businesses to sponsor them. The sponsor's name will be listed in the Matilda program. 50% of the sponsor's donation will go towards the charity described in the attached paper. The other 50% will go directly into the student's account. This fundraiser enables students to ask unlimited people to support them. So they have the potential to earn a lot!
- Fundraised money from this can be used towards the final payment that I sent you guys.
- If your final payment is currently 0, then you would not have a reason to participate since you are all paid up.
- Once again, the paperwork and the payments would be due on Wed. Jan 26 to me in C06. Cash or check made out to "TRN Chorus". I do not accept late payments.

Thanks so much!

Another question— for theatre, are we allowed to do some pieces virtually and others in person? It dawned on me today that not everyone kid is going to Disney.

Also— do you have a start time for the festival yet? Toms River schools won't be able to leave home schools until 945 due to bussing issues. So t he earliest we can be there is 10 and we need to be back on busses by 1230/1.

Hi Carolyn,

Thank you for reaching out! While students have submitted films both as solo and group submissions over the years, we've never had students collaborate across schools on a project for the Teen Arts Festival before. That being said, as long as the students are both from Ocean County and each school pays the stipend to participate in the festival, there's no problem on our end with them doing so and having the work attributed to both students and schools. Manchester HS has already submitted their registration form, so it looks like there wouldn't be any problems there. You would just need to check in with the coordinator, Teena O'Connell, so that the work is submitted once.

Let me know if there's anything else that we can assist with!

I have a student entering the film portion of the OC Teen Arts Festival. They are wondering...

1. Can they work on the film with another student?

2. Does the student have to be a student at TRN? Or can they go to another OC School? The student attends Manchester HS.

Another question— for theatre, are we allowed to do some pieces virtually and others in person? It dawned on me today that not everyone kid is going to Disney.

Also— do you have a start time for the festival yet? Toms River schools won't be able to leave home schools until 945 due to bussing issues. So the earliest we can be there is 10 and we need to be back on busses by 1230/1.

Hi Carolyn,

Thank you for reaching out! While students have submitted films both as solo and group submissions over the years, we've never had students collaborate across schools on a project for the Teen Arts Festival before. That being said, as long as the students are both from Ocean County and each school pays the stipend to participate in the festival, there's no problem on our end with them doing so and having the work attributed to both students and schools. Manchester HS has already submitted their registration form, so it looks like there wouldn't be any problems there. You would just need to check in with the coordinator, Teena O'Connell, so that the work is submitted once.

Let me know if there's anything else that we can assist with!

So I do not have access to checking everything that is in the TRN Chorus Account. I am just able to make deposits and track everything on the spreadsheet that Mr. Loeffler gave me. As a theatre parent, I know you and trust you. If you say you gave \$100 in cash for a deposit, I believe you. Maybe he just forgot to mark it. I made note of it in the spreadsheet. The final balance due Feb 1 is \$0.

And thank you for the compliments. I do not know how I am doing it right now!

The December check was cashed so hopefully you see that. I am certain we turned in the \$100 in cash because I recall [REDACTED] used her own money for it. If your "books" show \$100 of unaccounted for cash - that would be hers. If it does not - I suppose we will pay another \$100.

Thank you for everything you do for our kids. I don't know how you find the time to be so organized, involved and then to now take on the Chorus kids for the trip. You are remarkable!

Are you absolutely positive you paid the \$100 cash? If so, I will credit her account and then yes, you will owe nothing. If you are not sure, then she would owe \$100.

I deposited the Chorus money on Friday, but it takes our banker at least 1 week to get to it and then deliver it to the bank. But I did get that last \$900 check. It is in the deposit.

Good morning,

ITINERARY

We got an updated itinerary yesterday. Once again, this is TENTATIVE. I have attached it to this email.

FUNDRAISING

- I had quite a few of you reach out to me about fundraising for the Disney trip. As you know, I am also running the theatre Disney trip. After speaking with a few Chorus parents, I have decided to open the last theatre Disney fundraiser to the Chorus kids. While it is only open for 1 more week, I still thought it might help some of you.
- The theatre kids are currently working on Adopt-a-Performer. I have attached it to this email. It is due Wed. Jan. 26. No later. For you guys, payment would be cash or check to TRN Chorus.

- Basically, students can ask friends, family, and local businesses to sponsor them. The sponsor's name will be listed in the Matilda program. 50% of the sponsor's donation will go towards the charity described in the attached paper. The other 50% will go directly into the student's account. This fundraiser enables students to ask unlimited people to support them. So they have the potential to earn a lot!
- Fundraised money from this can be used towards the final payment that I sent you guys.
- If your final payment is currently 0, then you would not have a reason to participate since you are all paid up.
- Once again, the paperwork and the payments would be due on Wed. Jan 26 to me in C06. Cash or check made out to "TRN Chorus". I do not accept late payments.

Yes, friends and family are certainly able to watch the performance, provided they don't exceed the capacity of the venue. The main one to watch out for is the Disney's Saratoga Springs Performance Hall which has a maximum capacity of 200 Guests. The Ballroom of the Americas at Disney's Contemporary Resort is usually not a challenge since we have over 400 seats there.

Carolyn, these are great questions! Please see answers below in red!

How do the kids physically get into the parks every day? When I go, I always use my magic band to get in, but what will they use?

The group will receive (1) park ticket for all 3 days to enter the parks. If students have a Magic Band, they can link the park ticket to the Magic Band through the My Disney Experience App.

Also, please have each student take a picture of the back of the ticket. This way, if they lose the ticket, they can go Guest Services and have the ticket replaced by showing the picture of the back of their ticket.

I was also hoping to purchase Magic Maker. Am I able to do that and still connect it to my ticket somehow?

You can purchase MagicMaker though the My Disney Experience App.

Everyone in the group will receive a service called PhotoVision. The group will be able to upload all their pictures or short videos onto an app from the entirety of the trip and at the end of the trip the company will create a video slideshow of all the pictures taken.

Are the kids able to add things like Genie+ to their tickets/ lighting lane/etc? Or is that something that they cannot do on a type of trip like this?

The students are able to purchase the Genie+ at an additional cost through the My Disney Experience App. Only students over the age of 18 are allowed to purchase this service. If a student 17 or under is in a group with a student over the age of 18, they can purchase the Genie+ on their behalf; however, it is the student's responsibility to payback the other student.

Disney Updates

Good morning,
Updates are below.

ITINERARY

We got an updated itinerary yesterday. Once again, this is TENTATIVE. I have attached it to this email.

FUNDRAISING

- I had quite a few of you reach out to me about fundraising for the Disney trip. As you know, I am also running the theatre Disney trip. After speaking with a few Chorus parents, I have decided to open the last theatre Disney fundraiser to the Chorus kids. While it is only open for 1 more week, I still thought it might help some of you.
- The theatre kids are currently working on Adopt-a-Performer. I have attached it to this email. It is due Wed. Jan. 26. No later. For you guys, payment would be cash or check to TRN Chorus.
- Basically, students can ask friends, family, and local businesses to sponsor them. The sponsor's name will be listed in the Matilda program. 50% of the sponsor's donation will go towards the charity described in the attached paper. The other 50% will go directly into the student's account. This fundraiser enables students to ask unlimited people to support them. So they have the potential to earn a lot!

- Fundraised money from this can be used towards the final payment that I sent you guys.
- If your final payment is currently 0, then you would not have a reason to participate since you are all paid up.
- Once again, the paperwork and the payments would be due on Wed. Jan 26 to me in C06. Cash or check made out to "TRN Chorus". I do not accept late payments.

So I do not really know. I do know that I had a student inquiring about a Chick-Fil-A night. I reached out to Mr Loeffler about this, but have not heard yet.

What you are describing sounds like SnapRaise. To my knowledge, that fundraiser did not happen though.

Let me think about this. Maybe I can add Chorus into our last Theatre fundraiser prior to their money being due.

There was suppose to be fundraisers Per the meeting to offset some of the cost - were these ever done ? I'm just inquiring Bc we gave a ton of emails for one of them and no one ever received an email and we heard nothing more about it

How do the kids physically get into the parks every day? When I go, I always use my magic band to get in, but what will they use?

I was also hoping to purchase MagicMaker. Am I able to do that and still connect it to my ticket somehow?

Are the kids able to add things like Genie+ to their tickets/ lighting lane/etc? Or is that something that they cannot do on a type of trip like this?

Sorry--I go to Disney every year with my family, but doing it this way is baffling me lol.

In the spreadsheet that Mr. Loeffler gave me, she does not have [REDACTED] down for a deposit of \$100. He does have the \$500 November payment, but then not the \$500 December payment.

Are you absolutely positive you paid the \$100 cash? If so, I will credit her account and then yes, you will owe nothing. If you are not sure, then she would owe \$100.

I deposited the Chorus money on Friday, but it takes our banker at least 1 week to get to it and then deliver it to the bank. But I did get that last \$900 check. It is in the deposit.

For [REDACTED], below are the two checks that have been cashed - and I had submitted another Check last week for \$900 that does not appear to have been cashed yet. Also, I believe we paid our first installment of \$100 in cash. This would make us paid up with \$2000 for the trip. Could you please check your records?

Thanks

Subject: Chorus Disney Trip

Good evening,

I wanted to take a moment to introduce myself. My name is Carolyn Little and I am taking over the Disney trip organization for the Chorus until Mr. Loeffler returns. I am currently running the Disney Trip for the Theatre Company. The trip this year is with Theatre, Chorus, and Band.

I am going to try to keep you updated as much as possible. I started a bulletin board in the Chorus Room to post updates and then I also plan to use email.

I have sent weekly updates to the Theatre families. I am unsure of what you are aware of and what you are not aware of, so I am just going to share everything. Please read through the entire email and view the attachments. Let me know if you have any questions.

FINAL PAYMENT

Your final payment for the trip will be on Feb 1. Many of you have already paid the \$2000 total. Next week, I will be sending an email and posting on the Chorus bulletin board--- a list of students and how much each of you owes for the final payment. Please pay in cash or with a check made out to "TRN Chorus". Students can drop off payment to me in C06 periods 1, 2, 3, 5, 6, 8.

HOTEL

We are staying at All-Star Movies.

FLIGHT INFO

- Frontier 803--Departing (TTN) Trenton, NJ on Tue Mar 22 at 07:00 AM--Arriving (MCO) Orlando, FL on Tue Mar 22 at 09:44 AM
- Frontier 804-- Departing (MCO) Orlando, FL on Sun Mar 27 at 03:19 PM-- Arriving (TTN) Trenton, NJ on Sun Mar 27 at 05:57 PM
- Some kids asked if they can choose their seats for the flight. Here is the answer: "Frontier does not supply ticket numbers or seat assignments until the group checks in at the airport."

BAGGAGE INFO

Each passenger is allowed one personal item and one free checked bag per direction.

MEALS

- Students receive meal coupons during their stay. The meal coupons for lunch include an entree, a drink, and a side. For dinner, they include an entree, a drink, a side, and dessert. Students will receive these while in Disney. There is a barcode on them that students can scan with their phones to see which restaurants accept them.
- For breakfast, they will receive a meal card with \$15 on it. They will spend that on breakfast each morning in the hotel. If they do not spend the full \$15, they can use it in the parks on food, drinks, and snacks.
- Universal Studios-- they offer \$20 Dining Cards. Students will get these for lunch and dinner on the Universal Day. They can use these at any location that sells food.

ITINERARY

We have not solidified the park days yet because we are still waiting on Disney to confirm the Chorus and Band dates and times. They typically do this 3 weeks out from the trip, although we luckily just got the Theatre dates and times. I have attached the most current itinerary. I would like to re-state-- this is **TENTATIVE**.

FLIGHT MANIFEST

Please find your child's name on the E-Ticket attachment. If it is **INCORRECT** please respond. **Otherwise, no need to reply.**

ID

Students will use their license or a school ID to get on the plane. If they do not have a school ID, please send them to the main office to get one. They need a photo ID to get on the plane.

HEALTH INFO

Disney gave us a DISYP Health and Safety Flyer. It is attached. Please read.

ROOM LIST

The rooming list is finalized and is being sent to the travel agency this weekend. Thank you to all who signed up in the Chorus Room. Once the travel agency confirms it, I will share it.

Good evening,

I wanted to take a moment to introduce myself. My name is Carolyn Little and I am taking over the Disney trip organization for the Chorus until Mr. Loeffler returns. I am currently running the Disney Trip for the Theatre Company. The trip this year is with Theatre, Chorus, and Band.

I am going to try to keep you updated as much as possible. I started a bulletin board in the Chorus Room to post updates and then I also plan to use email.

I have sent weekly updates to the Theatre families. I am unsure of what you are aware of and what you are not aware of, so I am just going to share everything. Please read through the entire email and view the attachments. Let me know if you have any questions.

FINAL PAYMENT

Your final payment for the trip will be on Feb 1. Many of you have already paid the \$2000 total. Next week, I will be sending an email and posting on the Chorus bulletin board--- a list of students and how much each of you owes for the final payment. Please pay in cash or with a check made out to "TRN Chorus". Students can drop off payment to me in C06 periods 1, 2, 3, 5, 6, 8.

HOTEL

We are staying at All-Star Movies.

FLIGHT INFO

- Frontier 803--Departing (TTN) Trenton, NJ on Tue Mar 22 at 07:00 AM--Arriving (MCO) Orlando, FL on Tue Mar 22 at 09:44 AM
- Frontier 804-- Departing (MCO) Orlando, FL on Sun Mar 27 at 03:19 PM-- Arriving (TTN) Trenton, NJ on Sun Mar 27 at 05:57 PM
- Some kids asked if they can choose their seats for the flight. Here is the answer: "Frontier does not supply ticket numbers or seat assignments until the group checks in at the airport."

BAGGAGE INFO

Each passenger is allowed one personal item and one free checked bag per direction.

MEALS

- Students receive meal coupons during their stay. The meal coupons for lunch include an entree, a drink, and a side. For dinner, they include an entree, a drink, a side, and dessert. Students will receive these while in Disney. There is a barcode on them that students can scan with their phones to see which restaurants accept them.
- For breakfast, they will receive a meal card with \$15 on it. They will spend that on breakfast each morning in the hotel. If they do not spend the full \$15, they can use it in the parks on food, drinks, and snacks.
- Universal Studios-- they offer \$20 Dining Cards. Students will get these for lunch and dinner on the Universal Day. They can use these at any location that sells food.

ITINERARY

We have not solidified the park days yet because we are still waiting on Disney to confirm the Chorus and Band dates and times. They typically do this 3 weeks out from the trip, although we luckily just got the Theatre dates and times. I have attached the most current itinerary. I would like to re-state-- this is **TENTATIVE**.

FLIGHT MANIFEST

Please find your child's name on the E-Ticket attachment. If it is **INCORRECT** please respond. **Otherwise, no need to reply.**

ID

Students will use their license or a school ID to get on the plane. If they do not have a school ID, please send them to the main office to get one. They need a photo ID to get on the plane.

HEALTH INFO

Disney gave us a DISYP Health and Safety Flyer. It is attached. Please read.

ROOM LIST

The rooming list is finalized and is being sent to the travel agency this weekend. Thank you to all who signed up in the Chorus Room. Once the travel agency confirms it, I will share it.

Good evening,

I wanted to take a moment to introduce myself. My name is Carolyn Little and I am taking over the Disney trip organization for the Chorus until Mr. Loeffler returns. I am currently running the Disney Trip for the Theatre Company. The trip this year is with Theatre, Chorus, and Band.

I am going to try to keep you updated as much as possible. I started a bulletin board in the Chorus Room to post updates and then I also plan to use email.

I have sent weekly updates to the Theatre families. I am unsure of what you are aware of and what you are not aware of, so I am just going to share everything. Please read through the entire email and view the attachments. Let me know if you have any questions.

FINAL PAYMENT

Your final payment for the trip will be on Feb 1. Many of you have already paid the \$2000 total. Next week, I will be sending an email and posting on the Chorus bulletin board--- a list of students and how much each of you owes for the final payment. Please pay in cash or with a check made out to "TRN Chorus". Students can drop off payment to me in C06 periods 1, 2, 3, 5, 6, 8.

HOTEL

We are staying at All-Star Movies.

FLIGHT INFO

- Frontier 803--Departing (TTN) Trenton, NJ on Tue Mar 22 at 07:00 AM--Arriving (MCO) Orlando, FL on Tue Mar 22 at 09:44 AM
- Frontier 804-- Departing (MCO) Orlando, FL on Sun Mar 27 at 03:19 PM-- Arriving (TTN) Trenton, NJ on Sun Mar 27 at 05:57 PM
- Some kids asked if they can choose their seats for the flight. Here is the answer: "Frontier does not supply ticket numbers or seat assignments until the group checks in at the airport."

BAGGAGE INFO

Each passenger is allowed one personal item and one free checked bag per direction.

MEALS

- Students receive meal coupons during their stay. The meal coupons for lunch include an entree, a drink, and a side. For dinner, they include an entree, a drink, a side, and dessert. Students will receive these while in Disney. There is a barcode on them that students can scan with their phones to see which restaurants accept them.
- For breakfast, they will receive a meal card with \$15 on it. They will spend that on breakfast each morning in the hotel. If they do not spend the full \$15, they can use it in the parks on food, drinks, and snacks.
- Universal Studios-- they offer \$20 Dining Cards. Students will get these for lunch and dinner on the Universal Day. They can use these at any location that sells food.

ITINERARY

We have not solidified the park days yet because we are still waiting on Disney to confirm the Chorus and Band dates and times. They typically do this 3 weeks out from the trip, although we luckily just got the Theatre dates and times. I have attached the most current itinerary. I would like to re-state-- this is **TENTATIVE**.

FLIGHT MANIFEST

Please find your child's name on the E-Ticket attachment. If it is **INCORRECT** please respond. **Otherwise, no need to reply.**

ID

Students will use their license or a school ID to get on the plane. If they do not have a school ID, please send them to the main office to get one. They need a photo ID to get on the plane.

HEALTH INFO

Disney gave us a DISYP Health and Safety Flyer. It is attached. Please read.

ROOM LIST

The rooming list is finalized and is being sent to the travel agency this weekend. Thank you to all who signed up in the Chorus Room. Once the travel agency confirms it, I will share it.

For the meal coupons, will we be getting a list of where they can be used in the parks? The meal vouchers do have a bar code on the front of the ticket. Each person can scan the barcode with their phone and a list of locations will pop up. This is like when you are at a restaurant, and you scan the QR Code for the menus.

How does the Universal Dining Card work? You will receive a gift card for your meals that the students can use at any location that sells food. These cards are valued at \$20.00 each. Each person will receive 2 - \$20.00 gift cards. Unfortunately, Universal does not offer meal coupons.

For the flights-- will the groups be given tickets in alphabetical order? Or are the seats distributed by group? The kids are wondering who they will end up being assigned seating next to. I just was not sure how all that worked. Frontier does not supply ticket numbers or seat assignments until the group checks in at the airport.

1. Are we definitely staying at All-Star Movies? Yes.

2. The Disney Dining Card-- can that only be used at Quick Serve Restaurants or can it be used anywhere that Disney sells food? Any limitations? These cards can be used anywhere that sells food or drinks. Such as the confectionery (candy shop) in Magic Kingdom. However, the dinning

cards can be used at any Disney operated restaurant. These dinning cards are very limited in Disney Springs.

I am pleased to say that Disney is now offering Meal Coupons which were not offered at the time of your booking. A dinning card is a set amount of \$20.00 and is limited in Disney Springs. The Meal Coupons offer a drink, entrée and a side for lunch and a drink, entrée, side and a dessert for dinner with many options in Disney Springs. Many times these meal coupons offer a higher value than the dollar amount. Since the meal coupons are a better value, I have changed the itinerary to include the meal coupons. **HOWEVER**, I can always change this back to dinning cards if you prefer.

3. Have we finalized what parks we are going to on what days yet? The last itinerary sent on 1/6 did not have parks for Thursday-Friday-Saturday. The attached itinerary has the following parks for each day. Please let me know if you would like to make any changes to the park visited on each day.

Thursday: Magic Kingdom

Friday: Animal Kingdom/Epcot

Saturday: Hollywood Studios

4. Flight clarification. They can take one personal item and one piece of luggage (under 50 lbs) at no charge. According to the airlines, each passenger is allowed one personal item and one free checked bag each way..

After going through the Remind messages from all of you last night and looking at the payments that I received for Dinner and a Show, I figured out that we only have 24 tickets sold. The goal was to sell 100. Those 24 tickets were only sold by 5 of 20 kids. At this point, I am going to CANCEL the event. I think maybe with COVID it is too much of a risk for people which is probably why we are not selling tickets.

Hello, Everyone!

I know that times are very difficult in this "new world" that has descended upon us. Our vendors are being as understanding as they possibly can. Fortunately, we were able to secure your air tickets of over \$80,000.00. However, Disney has requested that the tickets be ordered so that they can hold your park reservations. Without a ticket order, Disney will not confirm your attendance during this time. I can stay in communication with Disney but could you each give me an idea of when you think you may be able to pay your invoices. That would help with my negotiations as I am frequently speaking with Disney, Universal, the hotel, etc. I appreciate any information you can give me so that I can keep that line of communication open. I know it is very difficult with Chris being sick and, of course, we wish him well and certainly hope he will be much better and be able to go on the trip. Carolyn, if I can do anything at all to help you during this time, please let me know.

Thank all of you for all you are doing and all the hard work that is going into this trip. You all wear so many different hats and I so wish there were more that I could do for each of you. We will work together to get all this together so that your groups can have a wonderful experience especially during these times.

Unfortunately no because both of my parents are at work during the whole day and my mom has to bring me and my sister to work after school and get my sister from wrestling practice. I am really sorry about forgetting the money.

Thanks for checking the flight list.

Honestly, my head is spinning with taking over this Chorus trip.

That makes total sense. Not every kids signed up for a room on Chris' list so I placed them in random rooms and then * those kids. She was one of the * that did not sign up. I am betting she signed up with band.

I spoke with her father in Dec. She wants to go as chorus so I put her down as a crossover. I don't think she realizes it does not matter which invoice she is on. Also she is a guard kid so I believe she is down on the invoice as a crossover for theatre wkshop. She is on the flight manifest 1x. so she does not have 2 tickets.

If she goes as chorus she will be paying more than her sister because the band boosters are kicking in \$150.00 to each band child.
I guess we should find out what rooming list she is on and go from there.

So this is fun lol.

Chris has her as paid as a \$100 deposit in Sept and then she paid me \$500 this week. So she has \$600 in the chorus account.

So what do we do now?

1. Does she have 2 flights? Chris has her listed on his flight list.
2. Should she be on his invoice at all? Or should his invoice now be 41 kids? And [REDACTED] is fully on yours as Band and Chorus?
3. Do you need me to give you the \$600 that is in her chorus account?
4. I am guessing she has a room with Band because she did not sign up on the Chorus room list.

[REDACTED] should be on my list... she has already pd the band \$650.00. Her father has been paying us for her and her sister. Plus she used band acct money.

Yes. Chris has 42 students and 2 chaperones (him and Keleyn Wraga).

1. I asked Sherry to adjust his invoice as it says 40 students, not 42. She is sending a new one.
2. I asked her today to replace one kid that dropped with another on the flight manifest. On the below list, the girl in red dropped. The new kid that will replace her is [REDACTED].
3. I have [REDACTED] on Chris' list as a Chorus kid. She paid \$600 to him so far, and owes \$1400.

Hi Carolyn

Do you have a list of mr Leofflers students for Disney? I feel like I have too many kids on my invoice I should have 62.(Including [REDACTED] .) She is down as a chorus kid but parents are paying band boosters. So she is on my invoice as a crossover.
When we were doing the final #s in December Mr Leoffler had some student drop and some join. Which evened out the total trip #s. I think he should have 41 students on his invoice.
