We do not have any records of pending assessments on this office.

For this and other OPRAS, we would suggest to send any "Future Assessment" and "Future Added/Omitted" requests to Tax Assessor's office. We do not have records of the assessment until the Assessor's office send them to us in October of each year, in the mid time, they may have some in their records.

There are no records in this office of any water wells or septic tanks for property in the subject.

If we could be of any further help, please let us know.

Thanks!
