I spoke with Joe Shabka on 5-15-24 and told him that there is no violation of law about keeping
garbage in garbage cans in the rear of their property. Original complaint came from-
A resident at 126 Valley View Drive, Jeff Ohrbach, called yesterday and stated that a neighbor at 122
VVD consistently leaves their garbage cans in their backyard, even on non-collection days. (When it was
brought up to them, 122 claims they have no room in their garage to store their cans).

According to Mr. Ohrbach, the neighborhood is frequented by bears, currently a 150 - 200 lb. bear, who
strew the garbage around.

Thank you,

Allison Lombardo
