Block: 22.19 Lot: 22 Street: 31 MT SIDE TERR Name: Summary: I spoke with Kathleen the owner and explained to her about the basement that she's not allowed to have anyone sleeping down there adding that a rec area can be tempting especially with a three fixture bathroom to be used as a bedroom. She didn't respond. I asked her if there's a kitchenette...She said there's no cooking , no kitchen... She acknowledged the occupants are still the same as when she bought the house. She denied running a business from home. I'm sending her a letter informing her about sleeping in the basement. She has an entrance through the basement garage and an exit door out the back of the house. I'll call her again to see if I could take a look at the basement.	8/27/2024				☐	8/27/2024	Mark Russomanno
