Code Enforcement / Site Obstruction

On the above date and time, I followed up on a report that was brought to my attention regarding a site obstruction on the property of 67 River Ave particularly located on the corner of River Ave and Central Road.

At that location there exists a row of arborvitae trees that line up from the corner intersection to the driveway of the property located on Central Road. At the corner exists one tree that is causing a site obstruction that is creating a hazard for a motor vehicles, pedestrians, and cyclists that travel in this area.

I followed up and confirmed that this complaint is valid and that a violation of the borough ordinance exists.

I generated a letter and sent it out to the property owner advising them to address this issue as soon as possible.

Case active pending owner action.
