Code Violation / Overgrown Brush - Encroaching

On the above date and time, I followed up on a complaint that was made to the borough regarding the brush that runs along the side walk of 6 Surf Road. It was reported that this brush that in the summer and warmer months contain wild flowers, however it is at this time overgrown in a manner that they are encroaching the sidewalk creating a hazardous condition for pedestrians. This will become more problematic once the warm weather is here and the brush becomes full bloom.

Upon checking this, I confirmed that the issue and violation is present and needs owner attention as soon as possible.

A notice of violation was generated and sent to the property owner.
