52 PALISADE AVENUE	In Progress	RAC-2025-00068	4/3/2025	Code Enforcement	Abandoned Vehicle on Property	Non reg vehicle in driveway 1. There are 2 actively dripping pipes in the basement. (see photo) 2. Water heater must be inspected by our building department. Call to setup an appointment. 3. Doorbell does not exist and must be installed. 4. Open electrical box in the basement with disconnected wires. (see photo) 5. No smoke detectors or carbon monoxide detectors in the basement, 1st floor or 2nd floor. Both detectors must exist on all floors of the dwelling. 6. Large crack in the ceiling over the kitchen table. This drips on the tenants at times while they are eating. Underground pipe originating from the property extending onto neighbors property causing extensive water damage to his basement. This pipe can be cut off, turned and extended to the front of the property along the fence. Pipe must extend beyond the front of the houses so that the water drains on the front lawn and not into the basement on 130 Reid Ave
