I certify that the Firm's total amount of uncompleted construction work (defined as the total contract value of unbilled work - including public and private) as of the bid due date is \$ 4,500,000

A firm may **exclude** from "uncompleted construction work" the following:

- "Non-at-Risk" construction management services (also known as "fee only" construction management services) where the firm is acting strictly as an agent for the owner.
