

To be completed, signed and returned with Bid.

**SWORN CONTRACTOR CERTIFICATION; QUALIFICATIONS AND CREDENTIALS
(Bidder's Certification)**

Pursuant to N.J.S.A. 18A:7G-37, a pre-qualified contractor seeking to bid on school facilities projects, and any subcontractors, that are required to be named under N.J.S.A. 18A:7G-1 et seq. shall, as a condition of bidding, submit this Sworn Contractor Certification regarding qualifications and credentials.

I, Michael D Ciccarelli, the principal owner or officer of the company certify that the forging statements are true and our firm has the following qualifications and credentials:

- A current, valid certificate of registration issued pursuant to "The Public Works Contractor Registration Act," N.J.S.A. 34:11-56:48 et seq. A copy of which is submitted with its bid;
- A current valid contractor trade license required under applicable New Jersey Law for any specialty trade or specialty area in which the firm seeks to perform work, a copy of which is submitted with its bid;

During the term of the school facilities project, I as principal owner or officer of the company or corporation, as the contractor, will have in place a suitable quality control and quality assurance program and appropriate safety and health plan.

Certify that, at the time of bidding, the amount of the bid proposal and value of all of its outstanding incomplete contracts does not exceed the firm's existing aggregate rating limit.

AMERICANS WITH DISABILITIES ACT OF 1990
Equal Opportunity for Individuals with Disability

The contractor and the Union County Vocational-Technical Schools (hereafter "owner") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. §12101 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the *owner shall* expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives. It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

EXHIBIT B
MANDATORY EQUAL EMPLOYMENT OPPORTUNITY LANGUAGE
N.J.S.A. 10:5-31 et seq. (P.L.1975, c.127)
N.J.A.C. 17:27-1.1 et seq.
CONSTRUCTION CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer, pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

When hiring or scheduling workers in each construction trade, the contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the targeted employment goal prescribed by N.J.A.C. 17:27-7.2; provided, however, that the Dept. of LWD, Construction EEO Monitoring Program, may, in its discretion, exempt a contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B, and C, as long as the Dept. of LWD, Construction EEO Monitoring Program is satisfied that the contractor or subcontractor is employing workers provided by a union which provides evidence, in accordance with standards prescribed by the Dept. of LWD, Construction EEO Monitoring Program, that its percentage of active "card carrying" members who are minority and women workers is equal to or greater than the targeted employment goal established in accordance with N.J.A.C. 17:27-7.2. The contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

- (A) If the contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et. seq., as supplemented and amended from time to time and the Americans with Disabilities Act. If the contractor or subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the contractor or subcontractor agrees to afford equal employment opportunities minority and women workers directly, consistent with this chapter. If the contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with affording equal employment opportunities as specified in this chapter, the contractor or subcontractor agrees to be prepared to provide such opportunities to minority and women workers directly, consistent with this chapter, by complying with the hiring or scheduling procedures prescribed under (B) below; and the contractor or subcontractor further agrees to take said action immediately if it determines that the union is not referring minority and women workers consistent with the equal employment opportunity goals set forth in this chapter.
- (B) If good faith efforts to meet targeted employment goals have not or cannot be met for each construction trade by adhering to the procedures of (A) above, or if the contractor does not have a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor agrees to take the following actions:
 - (1) To notify the public agency compliance officer, the Dept. of LWD, Construction EEO Monitoring Program, and minority and women referral organizations listed by the Division pursuant to N.J.A.C. 17:27-5.3, of its workforce needs, and request referral of minority and women workers;
 - (2) To notify any minority and women workers who have been listed with it as awaiting available vacancies;
 - (3) Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;

EXHIBIT B (Continued)

(4) To leave standing requests for additional referral to minority and women workers with the local construction trade union, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and Employment Service and other approved referral sources in the area;

(5) If it is necessary to lay off some of the workers in a given trade on the construction site, layoffs shall be conducted in compliance with the equal employment opportunity and nondiscrimination standards set forth in this regulation, as well as with applicable Federal and State court decisions;

(6) To adhere to the following procedure when minority and women workers apply or are referred to the contractor or subcontractor:

(i) The contractor or subcontractor shall interview the referred minority or women worker.

(ii) If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade, the contractor or subcontractor shall in good faith determine the qualifications of such individuals. The contractor or subcontractor shall hire or schedule those individuals who satisfy appropriate qualification standards in conformity with the equal employment opportunity and non-discrimination principles set forth in this chapter. However, a contractor or subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Dept. of LWD, Construction EEO Monitoring Program. If necessary, the contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below.

(iii) The name of any interested women or minority individual shall be maintained on a waiting list, and shall be considered for employment as described in (i) above, whenever vacancies occur. At the request of the Dept. of LWD, Construction EEO Monitoring Program, the contractor or subcontractor shall provide evidence of its good faith efforts to employ women and minorities from the list to fill vacancies.

(iv) If, for any reason, said contractor or subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the contractor or subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Dept. of LWD, Construction EEO Monitoring Program.

(7) To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Dept. of LWD, Construction EEO Monitoring Program and submitted promptly to the Dept. of LWD, Construction EEO Monitoring Program upon request.

(C) The contractor or subcontractor agrees that nothing contained in (B) above shall preclude the contractor or subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and, where required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement. However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and women or the failure to refer minorities and women consistent with the targeted county employment goal, the contractor or subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the contractor or subcontractor shall not be required to employ women and minority advanced trainees and trainees in numbers which result in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the contractor or subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

After notification of award, but prior to signing a construction contract, the contractor shall submit to the public agency compliance officer and the Dept. of LWD, Construction EEO Monitoring Program an initial project workforce report (Form AA-201) electronically provided to the public agency by the Dept. of LWD, Construction EEO Monitoring Program, through its website, for distribution to and completion by the contractor, in accordance with N.J.A.C. 17:27-7. The contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Dept. of LWD, Construction EEO Monitoring Program, and to the public agency compliance officer.

The contractor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on-the-job and/or off-the-job programs for outreach and training of minorities and women.

(D) The contractor and its subcontractors shall furnish such reports or other documents to the Dept. of LWD, Construction EEO Monitoring Program as may be requested by the Dept. of LWD, Construction EEO Monitoring Program from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Dept. of LWD, Construction EEO Monitoring Program for conducting a compliance investigation pursuant to N.J.A.C. 17:27-1.1 et seq.

(Revised: January, 2016)

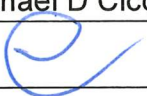

CERTIFICATION OF NON-DEBARMENT

NJSDA TOTAL AMOUNT OF UNCOMPLETED CONTRACTS

I certify that the Firm's total amount of uncompleted construction work (defined as the total contract value of unbilled work - including public and private) as of the bid due date is **\$29,929,319.00**

A firm may **exclude** from "uncompleted construction work" the following:

- "Non-at-Risk" construction management services (also known as "fee only" construction management services) where the firm is acting strictly as an agent for the owner.
- On any project where the firm was awarded a single prime contract which encompasses work to be performed by a subcontractor in a principal trade defined as plumbing and gas fitting; steam and hot water heating and ventilation; electrical; or structural steel and ornamental iron work, the firm may calculate the value of the awarded contract by deducting eighty-five percent (85%) of the actual subcontract price of the work to be performed by principal trade(s) from the actual price of the contract awarded to it. The firm will have the burden of proving that the work is encompassed by the principal trades and the value of the amount of work performed by those principal trades.

I further certify that the amount of this bid proposal, including the amount listed above does not exceed my New Jersey Schools Development Authority, Aggregate Rating limit.

Respectfully submitted,

5-YEAR RECERTIFICATION

APPROVED

under the

Small Business Set-Aside Act

This certificate acknowledges GROVE CONTRACTING LLC DBA:same as a Category 2 & 4 Approved Small Business Enterprise (SBE) that has met the criteria established by N.J.A.C. 17:13.

In order for this certification to remain in effect **throughout the 5 year certification period**, the business **must submit annual verification statements** attesting that there has been no change in ownership, control, or any other factor of the business affecting eligibility for certification as a small business. The verification statements must be submitted **not more than 60 days** prior to the anniversary of the certification approval.

If the business fails to submit the annual verification statement by the anniversary date, or a renewal by its expiration date, the certification will lapse and the business will be removed from the system (SAVI) that lists small business entities. If the business seeks to be certified again, it will have to reapply by submitting a new application.

Peter Lowicki

Peter Lowicki
Deputy Director

Issued: 8/31/2023

Certification Number: A0398-07

*Expiration: 8/31/2028

*As noted above, in order to maintain its certification status, the business must submit verification statements for each of the five years

RELEVANT PROJECT EXPERIENCE:

Sole Member / Principle Consultant, Avalan Consulting, LLC., Boca Raton, FL, 2006-Present

Please refer to the attached Grove Contracting, LLC Completed Projects List.

*****Please note; Detailed project scope information can be furnished upon request. *****

New Firehouse, Mt Tabor Volunteer Fire District #1 Headquarters, Parsippany-Troy Hills, NJ.

As consultant, Mr. Baldino assists the GC client in overseeing of administration and management of the project, which consists of site demolition and development, and construction of a new 13,200 sf. / 2-story state of the art Fire Headquarters Building. Estimated Completion March 26, 2021. Contract Value \$5,243,000.

William J. Brennan Hudson County Courthouse Renovations, Jersey City, NJ.

As consultant, Mr. Baldino assists the GC client in overseeing of administration and management of the project, which consists of a partial interior renovation of the Courthouse. Working with the County of Hudson, the Administrative Office of the New Jersey Courts and the New Jersey Historic Preservation Office, the renovation is intended to meet current NJ Courthouse Facility Guidelines while minimizing encroachments upon the building's historic fabric, maintaining the historic character of the Courthouse and allowing for the continuous use of the Courthouse for its historic purpose. Scope of renovation work includes ACM abatement, selective demolition and reconditioning of existing rooms and spaces to accommodate new office and administrative spaces, Judges chambers, conference rooms, courtrooms, jury rooms, restrooms, IT closets/storage spaces, and passageways. Work includes all floor, wall, ceiling finishes and support framing, casework, as well as protection, preservation, and restoration of historic elements, as needed, as well as providing all related MEP, fire protection, tele/data, and security access/surveillance work. Estimated Completion April 26, 2021. Contract Value \$4,242,000.

Landscape Design Building at Bergen County Technical School, Paramus, NJ.

As consultant, Mr. Baldino assisted the GC client in overseeing of administration and management of the project, which consisted of demolition of an existing building / site clearing, and construction of a new 5500 sf. state of the art Landscape Design Building, as well as extensive site work including new parking lot, walkways and landscaping. Completed September 30, 2019. Contract Value \$3,503,354.

Building Rehab At Essex County Public Safety Academy, Cedar Grove, NJ.

As consultant, Mr. Baldino assisted the GC client in overseeing of administration and management of the project, which consisted of miscellaneous interior renovations including but not limited to selective demolition, bathroom renovation, wood door / hardware replacement ceiling replacement, tile restoration/replacement, painting, toilet specialties, window treatment, HVAC register/grille replacement, and plumbing fixture / electrical lighting fixture replacement. Completed August 31, 2019. Contract Value \$588,800.

Historic Rehabilitation of the John Rea House at Passaic County DPW / DCH, Hawthorne, NJ.

As consultant, Mr. Baldino assisted the GC client in overseeing of administration and management of the project, which included the complete rehabilitation of the historic John W Rea House in Hawthorne NJ. The County repurposed it for the Department of Parks and the Department of Cultural & Historic Affairs. To accommodate the functions of both Departments, the building was divided to offer space for a visitor center, interpretative room, gallery space, flux meeting space, public restrooms, and offices. Work included the removal of finishes, abatement of ACM, repointing of brownstone, replacing exterior cladding, new site utilities, grading / paving, and the installation of a LU/LA and reconstructing missing historic elements and details. Completed May 31, 2019. Contract Value \$1,614,605.

Managing Member / Sr. Project Executive, NEIE Construction Services LLC., Denville, NJ, 2007-Present (Including SDVCS)

Construction of New Cedar Grove Park & Community Center Building County of Essex, Cedar Grove, NJ.

As company Managing Member and Sr. Project Executive, Mr. Baldino assisted in overseeing management of the project, which consisted of Construction of a new 77 acre park on the grounds of the former Essex County Hospital, including but not limited to construction of a new 15,000 sf. Community Center Building with a full commercial kitchen, outdoor patio area, and covered driveway for drop-off/pick-up, 1.7 miles of walking paths with historic lighting, (4) bocce courts, and a farmhouse themes playground and gazebo. Completed December 7, 2016. Contract Value \$3,392,404.

Renovation of O.R. Wing, at the Miami Medical Center, Dept. of Veterans Affairs, Miami, FL.

As a company Member and Sr. Project Executive, Mr. Baldino assisted in overseeing management of the project which consisted of renovation to approximately 21,800 SF. of the third floor Surgical Suite. Construction housed 7 New Operating Rooms and 2 New Cystology Rooms. The project called for a new mechanical system designed to meet VA requirements of 20 air changes per hour in the operating room. The design called for a new mechanical penthouse and interstitial space to be constructed on the roof of the third floor. All new mechanical, electrical, plumbing and medical gas were supplied via the interstitial space above, eliminating the constraints of the very limited existing plenum space. The new mechanical penthouse and interstitial space were built on the roof of the third floor. Within the interstitial space there was a separation of services (HVAC, medical gasses, electrical, etc.) in horizontal zones. Large openings were cut into the 10" thick concrete slab that made the existing roof (3rd. floor/floor of interstitial space). These openings were centered over the surgical table and accommodated the drops for the major HVAC ductwork. Completed July 2013. Contract Value \$17,447,041.00.

Renovation and Alteration of Waste Water Treatment Plant, Dept. of Veteran Affairs, Castle Point, NY.

As a company Member and Sr. Project Executive, Mr. Baldino assisted in overseeing management of the project. Completed December 2011. Contract value \$2,138,671.

Open End Construction, Contract #VA-243-C-0709, Dept. of Veterans Affairs, Montrose and Castle Point, NY, Contract #VA-243-C-0709.

As a company Member and Sr. Project Executive, Mr. Baldino oversaw management of the project, which consisted of furnish all materials, labor, equipment, and supervision for an open-end construction for a broad range of maintenance and repair, alterations and repair, demolition, sewage treatment facilities, remediation services. Completed August 2011. Contract Value \$3,288,657.

President and CEO, Tri-Con Construction Company of North Jersey, Inc., Denville, 1988-2008

Additions & Alterations at West Essex Regional High School, North Caldwell, NJ

As a company President, Mr. Baldino oversaw management of the project which consisted of a 20,000 SF. science lab addition, a 15,000 SF. classroom addition, a 14,000 SF. athletic facility addition, an 8000 SF. canopy addition, a 6000 SF. free standing mechanical and wood shop building, a 2000 SF. TV studio addition, 110,000 SF. renovations to the existing facilities, as well as extensive sitework modifications throughout the existing 12 acre campus. The work was performed on a fast track schedule multi-phase basis within an existing occupied space during 2nd shift, without any disruption to the Owner's operations. Completed March 2006. Contract Value \$32,492,300.00.

Additions & Alterations to Grant Early Childhood Schools PS #4, Passaic, NJ

As a company President, Mr. Baldino oversaw management of the project which consisted of a 27,800 SF. classroom/academic addition, 18,200 SF. extensive renovations to the existing occupied facilities, as well as deep dewatering/shoring/underpinning, site work and utility modifications/upgrades. The work was performed on a fast track, schedule multi-phase basis, with the renovation portion within an existing occupied space during 2nd shift, without any disruption to the Owner's operations. Completed May 2005. Contract Value \$9,833,278.00.

Addition & Renovations to Wayne Hills High School, Wayne, NJ

As a previous company President, Mr. Baldino oversaw management of the project which consisted of a 30,000 SF. classroom/academic addition, 27,000 SF. extensive renovations to the existing occupied facilities, as well as site work and utility modifications/upgrades. Completed July 2005. Contract Value \$8,529,800.00.

General Construction Work at Passaic High School PS#12, Passaic, NJ

As a company President, Mr. Baldino oversaw management of the project which consisted of life safety improvements/renovations and building envelope restoration throughout the entire existing facility, including but not limited to structural, mechanical, electrical, and architectural renovations, roof and window replacement, stone/masonry restoration, and extensive site work and utility upgrades. The work was performed on a fast track schedule multi-phase basis within an existing occupied space during 2nd shift, without any disruption to the Owner's operations. Completed June 2004. Contract Value \$16,495,000.00.

New Malcom X. Shabazz Athletic Facility, Newark, NJ

As a company President, Mr. Baldino oversaw management of the project which consisted of a new 15 acre, 3000 seat stadium, including a field house building, storage building, grandstands w/ press box and elevator tower, football/soccer turf field, synthetic running track, (2) grass baseball fields, and (3) synthetic tennis courts. Completed November 2004. Contract Value \$12,100,000.00.
