Subject: OPRA request - Opra Request

Dear Scotch Plains Township,

Please accept this electronic request for public records made under OPRA and the common law right of access. I am not required to fill out an official form or use a particular software platform to submit my request per NJSA 47:1A-6(f), which states that an email from a requestor including all of the information required on the adopted form shall suffice in place of a completed form as a valid government record request.

I HAVE NOT been convicted of any indictable offense under the laws of New Jersey, any other state, or the United States.

I WILL use the requested government records for a commercial purpose.

I AM NOT seeking records in connection with a legal proceeding.

Records requested:

- A list of all property addresses that have an unpaid property tax bill for the last 6 months. Please also include in the list or separately a list of properties whose property tax bill was lien against the property.

ATTACHMENTS: OPRA-Stallone-delreport 9.16.25 AND OPRA-Stallone-lienreport 9.16.25

Water Shut Off / Utility Liens

No Responsive Record Exists

Fire Damage List

- A list of all property addresses that the fire department has received an emergency call to in the last 90 days.

Code Violation

- A list of property addresses that have received any code violations in the last 6 months

Vacant List

Subject: OPRA request - Opra Request

Dear Scotch Plains Township,

Please accept this electronic request for public records made under OPRA and the common law right of access. I am not required to fill out an official form or use a particular software platform to submit my request per NJSA 47:1A-6(f), which states that an email from a requestor including all of the information required on the adopted form shall suffice in place of a completed form as a valid government record request.

I WILL use the requested government records for a commercial purpose.

I AM NOT seeking records in connection with a legal proceeding.
