Fire Department Actions

4/2/2025 10:20:06 PM

----OFFICER----> - Fantozzi, Donald

----ACTIONS----> water in detector in basement.

4/2/2025 10:21:26 PM

----OFFICER----> 275 - Luciani, Joseph

----ACTIONS----> Report of activated fire alarms. Interior crew searched residence with thermal camera and CO meter, found no unusual readings on either device. A smoke detector in the lower level of the residence was found to be wet. Alarm is located directly below upstairs shower and homeowner stated taking a shower earlier. Shower seems to be leaking. Fire department clear from scene.

----OFFICER----> 147 - Schamble, George

----ACTIONS----> report of wires down and smell of gas. found to be a tree on the shed and smell was gasoline. wires pulled off house from shed, no live exposed wires. took report and cleared

6/19/2025 12:28:41 AM

----OFFICER----> 275 - Luciani, Joseph

----ACTIONS----> Report of wires down and smell of gasoline at the residence. Responding crew arrived on scene with thermal camera, electrical meter, and gas meter.

A large tree limb fell onto a shed on the property. It took down some electrical wires, downed wires were not electrically charged. Tree limb also crushed a riding lawnmower and a small gas tank, determined to be the source of the gas smell.

Two vehicles were damaged as well. A 2024 Nissan Altima and a 2007 Chevy HHR.

Fire department cleared scene.

----OFFICER----> 125 - Olivieri, Mark

----ACTIONS----> Oder of gas on 3rd floor floor was evacuated found hot water heater leaking pse&g notified. Ringwood for one engine for man power

6/24/2025 2:06:52 PM

----OFFICER----> - Rubino, Mike

----ACTIONS----> Called for an odor of gas on the 3rd floor of building 6 on warrens way. High reading found in the apartment of 6307 and 6407. Pse&g determined the leak was in the 3rd floor apartment while we vented both floors with assistance from crews from ringwood. Pse&g found and repaired two leaks they found in the apartment 6307. Once repairs were made they turned on the appliances again and no leak detected. Crews with Pse&g checked the two floors before clearing from the scene
