Dear Paramus Borough,

Please accept this electronic request for public records made under OPRA and the common law right of access. I am not required to fill out an official form or use a particular software platform to submit my request per NJSA 47:1A-6(f), which states that an email from a requestor including all of the information required on the adopted form shall suffice in place of a completed form as a valid government record request.

I HAVE NOT been convicted of any indictable offense under the laws of New Jersey, any other state, or the United States.

I WILL use the requested government records for a commercial purpose.

I AM NOT seeking records in connection with a legal proceeding.

Records requested:

Code Violation

- A list of property addresses that have received any code violations in the last 6 months

Vacant List

My preferred delivery method for response(s) to this request is by E-mail as attachments. Please confirm you have received this request. If you are not the custodian of records, please forward my request to that person and provide their email address to me for future reference.

Yours faithfully,

Nathan

REQUEST FOR RECORDS UNDER THE COMMON LAW

If, in addition to requesting records under OPRA, you are also requesting the government records under the common law, please check the box below.

A public record under the common law is one required by law to be kept, or necessary to be kept in the discharge of a duty imposed by law, or directed by law to serve as a memorial and evidence of something written, said, or done, or a written memorial made by a public officer authorized to perform that function, or a writing filed in a public office. The elements essential to constitute a public record are that it be a written memorial, that it be made by a public officer, and that the officer be authorized by law to make it.

☐ Yes, I am also requesting the documents under common law.

If the information requested is a "public record" under common law and the requestor has a legally recognized interest in the subject matter contained in the material, then the material must be disclosed if the individual's right of access outweighs the State's interest in preventing disclosure.

Please set forth your interest in the subject matter contained in the requested material:

Note that any challenge to a denial of a request for records under the common law cannot be made to the Government Records Council, as the Government Records Council only has jurisdiction to adjudicate challenges to denials of OPRA requests. A challenge to the denial of access under the common law can be made by filing an action in Superior Court.

1. All "government records" as defined in N.J.S.A. 47:1A-1.1 are subject to public access under the Open Public Records Act ("OPRA"), unless specifically exempt.
2. A request for access to a government record under OPRA must be in writing, hand-delivered, mailed, transmitted electronically, or otherwise conveyed to the appropriate custodian. N.J.S.A. 47:1A-5(g). In accordance with OPRA, custodians will generally have seven (7) business days to respond, unless:

- The requestor seeks "immediate access" records as outlined in N.J.S.A. 47:1A-5(e); where the custodian must respond "immediately" disclosing responsive records not to exceed twenty-four (24) months old.
- The requestor seeks information required to be disclosed by N.J.S.A. 47:1A-3(b), where the custodian must respond disclosing the information within twenty-four (24) hours or as soon as practical;
- The requestor is seeking records for a "commercial purpose" as defined in N.J.S.A. 47:1A-1.1, where the response time frame is fourteen (14) business days, but the custodian shall notify the requestor of the additional time within seven (7) business days. N.J.S.A. 47:1A-5(i). However, the response time frame can be reduced to seven (7) business days upon payment of no more than two times the cost to produce the responsive records.
- The requestor is seeking records requiring review for compliance with "Daniel's Law" (N.J.S.A. 47:1B-1, et seq.), where the response time frame is fourteen (14) business days, but the custodian shall notify the requestor of the additional time within seven (7) business days. N.J.S.A. 47:1A-5(i).
- Fire district employing one or fewer full-time employees serving as custodians may add seven (7) business days to the seven (7) or fourteen (14) business day response time frames.

The applicable response time does not commence until the custodian receives the request form. N.J.S.A. 47:1A-5(h). If you submit the request form to any other officer or employee, the recipient must either forward the request to the appropriate custodian or direct you to the appropriate custodian. Id.

3. Requestors are not required to use this OPRA request form; however, a written equivalent not containing the form requirements of N.J.S.A. 47:1A-5(f) and N.J.S.A. 47:1A-5(g) may be denied by a custodian.
4. Requestors may submit requests anonymously. A request submitted anonymously shall not be considered incomplete. N.J.S.A. 47:1A-5(f). If you elect not to identify yourself accurately or provide an accurate address, e-mail address, or telephone number, the custodian is not required to respond until you reappear before the custodian seeking a response to the original request. Further, anonymous requestors are prohibited from filing a complaint with either the GRC or the Courts. N.J.S.A. 47:1A-6.
5. The fees for duplication of a "government record" in printed form are listed on page 1 of this form. The custodian will notify you of any special service charges or other additional charges authorized by State law or regulation before processing your request. Payment shall be made by cash, check or money order payable to the responding agency.
6. You may be charged a prepayment or deposit when a request for copies exceeds \$5.00. The custodian will contact you and advise you of any deposit requirements. You agree to pay the balance due upon delivery of the records.
7. Under OPRA, a custodian must deny access to a person who has been convicted of an indictable offense in New Jersey, any other state, or the United States, and who is seeking government records containing personal information pertaining to the person's victim or the victim's family. N.J.S.A. 47:1A-2.2. This includes anonymous requests for said information.
8. By law, the responding agency must notify you that it grants or denies a request for access to government records within applicable response time frame after the custodian receives the request. If the record requested is in storage, the custodian will advise you within seven (7) or fourteen (14) business days after receipt of the request when the record can be made available and the estimated cost for reproduction within no more than twenty-one (21) business days from date of notification. N.J.S.A. 47:1A-5(i).
9. You may be denied access to a government record if your request would substantially disrupt agency operations and the custodian is unable to reach a reasonable solution with you. N.J.S.A. 47:1A-5(g).
10. If the custodian is unable to comply with your request for access to a government record, they will indicate the specific bases for denial on the request form or other written correspondence and send it to you.
11. Except as otherwise provided by law or by agreement with the requester, if the custodian fails to respond to you in writing within seven (7) or fourteen (14) business days of receiving a request, the failure to respond is a deemed denial of your request. N.J.S.A. 47:1A-5(g); N.J.S.A. 47:1A-5(i).
12. If your request for access to a government record has been denied or unfilled within the seven (7) or fourteen (14) business days required by law, you have a right to challenge the decision by the responding agency to deny access. At your option, you may either: 1) institute a proceeding in the Superior Court of New Jersey; or 2) file a complaint with the Government Records Council ("GRC") by completing the Denial of Access Complaint Form. All questions regarding complaints filed in Superior Court should be directed to the Court Clerk in your County. Questions regarding the GRC's Denial of Access Complaint process can be directed to the GRC toll-free telephone at 866-850-0511, by mail at PO Box 819, Trenton, NJ, 08625, by e-mail at Government.Records@dca.nj.gov, or at their web site at www.state.nj.us/grc. The Council can answer general inquiries about OPRA.
13. Information provided on this form may be subject to disclosure under the Open Public Records Act.
