To: OPRA requests at Linden City <clerk@linden-nj.gov>

Dear Linden City,

Please accept this electronic request for public records made under OPRA and the common law right of access. I am not required to fill out an official form or use a particular software platform to submit my request per NJSA 47:1A-6(f), which states that an email from a requestor including all of the information required on the adopted form shall suffice in place of a completed form as a valid government record request.

I HAVE NOT been convicted of any indictable offense under the laws of New Jersey, any other state, or the United States.

I WILL use the requested government records for a commercial purpose.

I AM NOT seeking records in connection with a legal proceeding.

Records requested:

Tax Delinquent

- A list of all property addresses that have an unpaid property tax bill for the last 12 months. Please also include in the list or separately a list of properties whose property tax bill was lien against the property.

~~Water Shut Off / Utility Liens~~ No such list

- A list of all property addresses that have had their water bill lien against the property, have failed to pay their water bill, or have had the water shut off at any point in the last 6 months.

Fire Damage List

- A list of all property addresses that the fire department has received an emergency call to in the last 90 days.

Code Violation

- A list of property addresses that have received any code violations in the last 6 months
