NARRATIVE (2)

Narrative Title: Deputy Chief Kopf

Narrative Author: Kopf , Brian

Narrative Date: 01/02/2026 13:37:27

Narrative Apparatus ID: 2967

Narrative:

District 29 was dispatched to 50 Danemar Dr. for our CO alarm. 2966 arrived on location established come in and stated that all residents were outside. 2966 ask county to have New Jersey natural gas dispatched out. 2978 and myself arrived on location and a crew from 2978 went inside to investigate. They got zero readings throughout the whole house. So at that time I went inside, assisted the crew turned out to be a faulty meter. The homeowner was talking to 2976 and stated that he will be replacing all smoke detectors throughout the whole house. We kept New Jersey natural gas to double back on our readings just to check. So at that time 2966 clear District 29.

NARRATIVE (2)**Narrative Title:** Deputy Chief Kopf**Narrative Author:** Kopf, Brian**Narrative Date:** 01/06/2026 03:54:34**Narrative Apparatus ID:** 2967**Narrative:**

District 29 was dispatched to Rt34 and Main Street for a MVA with fluids . 2966 and myself (2967) arrived on location. 2966 had command. I (2967) was ops. The patient of the car was out of the the vehicle talking to Pd. 2978 arrived on location . The other patient was still in the SUV . We still had a mess dispatched for protocol. Both patients from each vehicle was check-out and RMA . Pd moved both vehicles out of the interaction and had them lined up for tow company. Crew from 2978 put speedy dry down and cleaned up the parts from the vehicles. Tow company arrived on location to remove the vehicles. Pd open Rt34 slow lane up and just had Main Street to Washington street closed. So at that time Fd was not need. So 2966 cleared all district 29.

Narrative:

District 29 was dispatched to Route 34 and Middlesex Road for a two car mva. 2966 arrived on location established command I arrived on location shortly after that both cars were moved off the roadway into a parking lot. One car had minor damage to the rear of it. The other one had heavy damage to the front. PD was on location conducting their action report. BLS was requested for protocol to check both parties out. PD called for a tow truck for one vehicle BLS arrived on location and provided patient care. Both parties were checked out and RMA. To company I've arrived the location removed to one car put some speedy dry down for some of the radiator fluid. Everything was good at that time 2966 cleared all district 29.

GAINED ACCESS NO SMOKE OR FIRE

NARRATIVE (2)**Narrative Title:** n/a**Narrative Author:** Kopf , Brian**Narrative Date:** 01/11/2026 06:03:06**Narrative Apparatus ID:** n/a**Narrative:**

District 29 was dispatched to 762 Rt 34 for a fire alarm . arrived on location in established command no audible or any signs of the alarm going off PD arrival location and did a 360 of the building . Cruz from 2978 and 2990 provide the location again access to the building with my Knox box key. Cruz in investigation throughout the building no smoke or fire alarm panel was reset and cleared to normal. Building secured that knox box key was returned. So at that time I cleared district 29.
