Re: Open Public Records Act/Common Law Request

Dear Mr. Nadler:

The Ridgefield Public Schools ("District") records custodian is in receipt of your Open Public Records Act ("OPRA") and common law request ("Request") submitted on May 31, 2026. Your Request seeks the following:

Please provide copy of all complaints and investigations reported involving President of Board of Education Member Rafael Morilla insulting and belittling staff members in parking lot in Decaember [sic] while accompanying "great friend " as stated by Rafael on January 6 ,2026 BOE meeting accompanying Irene Voight on her last day of employment. Please provide any video if incident and any emails and incident reports. Please provide copy of incident report and outcome.

Please be advised that OPRA allows the records custodian to seek extensions of time pursuant to N.J.S.A. 47:1A-5i. In light of the multitude of other Requests you have submitted that are still being addressed and the upcoming holiday week, the District requires an additional 15 days (until July 10, 2026) to compile, review, and produce the potentially responsive records in accordance with New Jersey law. The District also reserves the right to obtain an additional extension of time if necessary. See Scheeler v. New Jersey Department of Educ., GRC Complaint No. 2014-123 (2016).

Thank you for your anticipated cooperation.

Very truly yours,

Kelvin Hiciano, MBA, MPA
Business Administrator/Board Secretary
