Re: Open Public Records Act/Common Law Request

Dear Mr. Nadler:

The Ridgefield Public Schools ("District") records custodian is in receipt of your Open Public Records Act ("OPRA") and common law request ("Request") submitted on May 31, 2026. Your Request seeks the following:

Please provide a list of any and all social media accounts besides "freenadlerfrom RMHS." That Rafeal [sic] Morilla commented on or followed. That website and proof was already a was previously provided to Dr. Animone [sic].

Please be advised that OPRA allows the records custodian to seek extensions of time pursuant to N.J.S.A. 47:1A-5i. In light of the multitude of other Requests you have submitted that are still being addressed and the upcoming holiday week, the District requires an additional 19 days (until July 14, 2026) to compile, review, and produce the potentially responsive records in accordance with New Jersey law. The District also reserves the right to obtain an additional extension of time if necessary. See Scheeler v. New Jersey Department of Educ., GRC Complaint No. 2014-123 (2016).

Thank you for your anticipated cooperation.

Very truly yours,

Kelvin Hiciano, MBA, MPA
