Re: Open Public Records Act/Common Law Request

Dear Mr. Nadler:

The Ridgefield Public Schools ("District") records custodian received your Open Public Records Act ("OPRA") and common law request ("Request") on June 2, 2026. The seven business day deadline to respond to your Request is June 26, 2026. As such, the District is timely responding to your Request in accordance with New Jersey law.

Your Request seeks the following:

Please provide any and all correspondence including emails, letters and text messages from Irene Voight to any and all members of the Ridgefield Board of Education members [sic], Alexander Anemone and Tamika DePass from 01/2025 thru present that reference Vickki Nadler.

Please be advised that your request is invalid as overly broad pursuant to N.J.S.A. 47:1A-5(g) (providing that a records custodian shall not be required to search for responsive communications if the request fails to identify the specific accounts, a specific subject matter, and a reasonable time period for the search). Here, "any and all members of the Ridgefield Board of Education" does not constitute a specific account as it purports to require the District's records custodian to research the identities of the Board members over the previous 18-month time period, and your Request is not confined to a reasonable time period within the meaning of the statute. As such, the District is not legally obligated to search for and/or produce any potentially communications based upon the parameters of your request.

Your Request is now deemed answered and closed.

Sincerely,

Kelvin Hiciano, MBA, MPA

Business Administrator/Board Secretary
