595-48-Exterior Maintenance Requirements:							
§ 650-88General provisions.							
A. General intent.							
(1) The intent of this article is to establish a precise and detailed plan for the use of land and buildings in the Borough of Roselle, based upon the Borough Master Plan and any amendments thereto and other studies and findings, enacted in order to promote and protect the public health, safety, morals, comfort, convenience and the general welfare of the people.							
(2) This article shall be viewed as permissive. After the adoption of this article, no use or structure shall be permitted in the Borough which is not listed as a permitted use by this article.							
(3) Off-street parking and loading facilities.							
(a) See § 650-24 for the schedule of off-street parking and loading requirements. See §§ 650-25 and 650-26 for additional parking and loading standards.							
(b) Except for campers commonly used for dwelling purposes, trucks, tractors and/or trailers over three tons' gross weight shall be prohibited from parking in any Residence A, Residence B, Residence C, Residence D, Residence E or Residence F Zone on any lot, whether improved or unimproved.
