Good morning,

The Building Department does not maintain reports of the kind requested by the requestor in paper form. The reports provided are the results of queries that can be undertaken in response to the present OPRA request, and the reports only reflect the electronic information stored or maintained on such databases.

No requestor should rely upon the reports provided to determine the status or enforcement of any statutory, code, rule, ordinance, or other fine or violation. These records are provided only and for the limited purpose of responding to a request for records under the Open Public Records Act, and, as such, is not to be construed as the provision of information by the Building Department.

If a requestor has a question on a particular property, requestor should contact the Building Department directly. The Building Department will provide responses, as appropriate, to such individual requests.

This concludes this request.

Should you have any questions, please do not hesitate to contact me.

Attentively yours,

Patricia Silva

Attn.: Lance Sexton,

With reference to your OPRA Request Tracking #9710, please find attached response from the Tax Collector Dept., which is self-explanatory.

Please be advised that our office will be requesting an extension of time pertaining to the portion of your request dealing with the Building Department. This extension is being requested due to the Building Department being understaffed and the voluminous nature of said request. The extension is until Friday, August 7, 2020.

Should the documentation become available sooner, we will provide same to you prior to the date referred above.

Thank you for your anticipated cooperation in this regard.
