SUMMARY OF RULES AND REGULATIONS

Bills are due and payable upon presentation.

Water services shall be turned on or off only by Water Department authorization.

All pipes, meters and fixtures will be subject to inspection at all reasonable hours by employees of the Water Department.

Meters will be maintained by the Water Department so far as ordinary wear and tear is concerned, but damages due to freezing, hot water or external cause shall be paid for by the customer.

Meters shall be conveniently located at the point approved by the Water Department, so as to control the entire supply, and a proper place and protection shall be provided by the customer.

Under the laws of New Jersey N.J.S. 2A : 170-63, any person who, without permission and for the purpose of obtaining water with intent to defraud any vendor of water, connects or disconnects the meters, pipes, or conduits of such vendor or in any other manner tampers or interferes with such meters, pipes or conduits, or connects with such meters or conduits by pipes, conduits or other instruments, is a disorderly person.

The Water Department Reserves the Right

To shut off water temporarily to make necessary repairs, connections, etc.

To shut off water for refusal to furnish a proper place for a meter.

To shut off water for non-payment of charges under Township Ordinance.

To shut off water for failure to maintain in good order, connections, service lines or fixtures owned by the applicant.

To shut off water in case of vacancy of premises.

To shut off water for refusal of reasonable access to premises for reading, maintaining or removing meters.

To shut off water for molesting any service pipe, meter, or any other appliance of the Water Department.

The Water Department reserves the right to limit the amount of water used in sprinkling lawns and restrict the hours of such use.

UNDERGROUND SPRINKLERS MAY BE PROHIBITED OR RESTRICTED IN THE INTEREST OF WATER CONSERVATION
