Subject: OPRA request - Addresses with water-shut off

Dear Watchung Borough,

I am requesting a list of current addresses within the town/city that have had their water shut off within the past three months (September 1st - December 1st) of 2019.

My understanding is that the town/city is responsible for the turning on/off of the water supply to each address within it's legal boundaries. According to the NJ Utilities Code, the addresses of said properties are public information and can be provided upon notice via an Open Public Records Request (OPRA).

Please share the information in the following format:

Date, Mailing Address
i.e. (11/01/2019, 34 Main Street Rockaway NJ 07866)

Thank you for your efforts and time,

Emanuelle Sedita
