Subject: OPRA request - Opra Request

Dear Manville Borough,

I am requesting a List of all residential properties in your city that have had the water shut off any time between 11/30/2018 and 5/31/2019. I only need the property addresses. I do not want any customer information or reason for shut off. I authorize yo to redact confidential information in accordance with Section 182.052 of the Utilities Code.

Thank you,

Corey Beckwith

Kathleen,
The Borough of Manville does not shut off anyone's water. That is handled by NJAM Water Company and they do not ever tell us-the only thing we would get is a zero reading which doesn't tell us if the water is off just that no water was used.
