Your request has been forwarded to the appropriate agency(ies) to begin a search for records in accordance with your request. A status and/or response is anticipated on or before _____.

In order to process your request, please resubmit your application accompanied by a copy of the ad(s) for the RFP or Bid requested. Upon receipt, you will be advised accordingly. OPRA awaits your reply.

Please be advised that we are unable to process certain portion(s) of your request because it does not seek the production of identifiable government record(s), as required under OPRA. A copy of your request is attached and those areas have been highlighted for your reference.

In response to your Open Public Records Application, please be advised that OPRA is in receipt of a complete response _____ a partial response to your request. An anticipated date for the remaining portion of your request is _____.

X I trust this completes your request. If you have any questions regarding the response records received, please contact the agency that responded via the telephone number on the department's response. 973-733-4877
