Condition: New, 6 months old

A 22" Mongoose boys mountain bike was stolen from the back yard of 1524 Newport Drive sometime overnight on Wednesday June 12th 2013.

The Xochicali came to the police station with their son to report the theft of the bike. Four other bikes of theirs were stolen about two weeks ago but they are declining to have them reported stolen.

The bike was last seen in the back yard which is fenced in. However access to the yard can be made through a broken part of the fence. The bike belongs to the son [REDACTED]. He suspects an unnamed 17 year old cousin of a friend of his.

Mr. Xochicali will supply a serial number to the bike at a later date if and when he is able to locate any paper work.
