

To: Corey Beckwith
From: Edith L. Merkel, Township Clerk, Township of Clark
Re: OPRA request
Date: December 5, 2019

The Township of Clark received your Open Public Records Act (OPRA) request on Thursday, December 05, 2019. The official Records Custodian, Edith Merkel, received your OPRA request on Thursday, December 05, 2019. As such, the seven (7) business day deadline to respond to your request is Monday, December 16, 2019. This response to your request is being provided to you on the same business day as the custodian's receipt of said request.

The submitted OPRA requested a list of all residential properties in the Township of Clark that have had water shut off any time between 6/1/19 and 12/1/19.

The Township of Clark does not maintain a list of residential properties that have had water shut off.

New Jersey American Water may have the information that you require.

1-800-652-6987

1-800-272-1325

If your request for access to a government record has been denied or unfilled within the seven (7) business days required by law, you have a right to challenge the decision by the Township of Clark to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the Government Records Council (GRC) by completing the Denial of Access Complaint Form. You may contact the GRC by toll-free telephone at 866-850-0511, by mail at P.O. Box 819, Trenton, NJ, 08625, by e-mail at grc@dca.state.nj.us, or at their web site at www.state.nj.us/grc. The GRC can also answer other questions about the law. All questions regarding complaints filed in Superior Court should be directed to the Court Clerk in your County.

RE: Open Records Request

I am requesting a List of all residential properties in your city that have had the water shut off any time between 6/1/2019 and 12/1/2019. I only need the property addresses. I do not want any customer information or reason for shut off. I authorize you to redact confidential information in accordance with Section 182.052 of the Utilities Code.

Thank you,

Corey Beckwith
