| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                      |                   |                                     |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                      |                   |                                     |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                  |                   |                                     |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                  |                   |                                     |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                   |              |                                   |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                   |              |                                   |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |             |                   |                                        |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |             |                   |                                        |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                 |                                                   |               |                                 |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                 |                                                   |               |                                 |

The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                               |                  |                                    |

The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                               |                  |                                    |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                         |                      |                                        |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                              |                         |                                           |

The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                              |                         |                                           |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                          |                   |                                        |

The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                          |                   |                                        |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                                 |                       |                                       |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                   |                   |                                     |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                               |                   |                                     |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |               |                            |                                              |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                                 |                    |                                      |

The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                                 |                    |                                      |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                        |                |                                  |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                        |                |                                  |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                           |                  |                                    |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                        |                |                                    |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                                        |                   |                  |                                   |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                                        |               |                      |                                         |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                 |                         |                                       |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                                     |                    |                                        |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                      |                |                                    |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                           |                     |                                         |

The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                           |                     |                                         |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                                     |             |                          |                                         |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                                     |             |                          |                                         |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                             |                         |                                           |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                       |                               |                                               |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                       |                               |                                               |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                           |              |                                         |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                                   |                         |                                           |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                |                  |                                    |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                           |                   |                                       |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | <p>In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section.</p> |                 |                    |                  |                                                   |                         |                                           |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                               |                         |                                           |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                 |                                                   |                   |                                            |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                     |                      |                                    |

The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                     |                      |                                    |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                                                       |                    |                  |                                    |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                                      |                   |                                     |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                               |                         |                                           |

The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                               |                         |                                           |

| <p>In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section.</p> |                 |                       |                  |                                                   |                         |                                                      |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                                     |                     |                                       |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | <p>In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section.</p> |                |                    |                 |                                                                   |                     |                                            |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                     |                     |                                     |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                      |                   |                                     |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                      |               |                                   |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                      |               |                                   |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                                |                |                                    |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                 |                      |                  |                                                   |                           |                                             |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                 |                                                                   |                 |                                        |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                        |                   |                                     |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                                     |                    |                                      |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                      |                      |                                        |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                                 |                   |                                     |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | <p>In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section.</p> |                |                    |                 |                                                   |               |                                 |

| <p>In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |               |                |                                        |

The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |               |                |                                        |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                           |               |                                    |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                  |                   |                                     |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | <p>In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section.</p> |                 |                         |                  |                                                   |                                |                                              |

| <p>In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section.</p> |                 |                         |                  |                                                   |                                |                                              |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                |                  |                                    |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                 |                                                   |                      |                                       |

| In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. | In the event the owner or tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within seven (7) days after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. In the event that the order for removal of trash or debris is as a result of the trash or debris being located on the Township right-of-way and the owner, tenant or person in possession of the lands in question refuses or neglects to abate or remedy the condition complained of within forty-eight (48) hours after receipt of notice, any Township Inspector, Code Enforcement Officer, Police Officer or Special Police Officer may cause the condition complained of to be abated and remedied and shall certify the cost thereof to the Township Tax Collector who shall cause the cost as shown thereon to be charged against the lands. The amount so charged shall forthwith become a lien upon such lands and shall be added to and become and form a part of the taxes next to be assessed and levied upon such lands, the same to bear interest at the same rate as taxes, which shall be collected and enforced by the tax collector in the same manner as taxes. Costs shall be in addition to any penalties imposed for a violation of this section. |                |                    |                                                   |                 |                         |                                         |
