Narrative			
I responded to the area of Browning Rd and Washington Ave. for a lock out. I spoke to Mary Pham, she told me that she had locked her keys in her vehicle. I was not able to open the vehicle, based on the design of the doorway. The lock out tool was not compatible with the design of the doorway. Mrs Pham was able to contact a family member who was going to bring her a spare key.

Narrative

I responded to 6871 Rosemont Avenue for a report of a theft of a NJ license plate. Upon my arrival I spoke to the complainant Charlotte Quinones. She stated an area neighbor approached her and stated someone just stole the NJ license plate of her vehicle. The complainant's vehicle was parked in the street in front of her house. The area resident stated he saw a black male pull up in a similar style vehicle, a Dodge Charger. A black male wearing a green jacket got out and removed the rear license plate to the complainant's vehicle. The male then got back into his vehicle and fled into Camden City. The license plate (NJ registration 2610HE) was entered into NCIC as stolen (NCIC entry # 190129). The complainant was advised to remove the other license plate from her vehicle and turn it into the NJ Motor Vehicle Commission when getting new tags.
