Rec'd call from Ms. Margaret of 197 Millbrook Drive complaining of 50 Mandolin Lane whose tree fell in her backyard breaking through her fence. Ms Margaret called her insurance and had the tree removed. She explained the fence is scheduled to be repaired but there is pieces of the tree that remains that must be removed. She spoke with the contractors at property and they told her they are not moving. Property is currently vacant. Went out to 50 Mandolin, contractors refused me access to rear yard, inspected the tree from 197 millbrook yard. I reached out homeowner bu have yet received a call back. Sending out notice in hopes to getting in contact with h/o with violation.
