Gilberta Moranfar t called in complaint about 61 Barrington regarding illegal room renting. Informed Ms. Gilberta that I would notate in the system but with no real proof there is nothing that my department can do to help at the moment. Told her to contact the police and they have more authority to see if illegal room renting is taking place and if so then that is when we would be able to step in. She was calling because her brother is residing there and wants him to come back home, he is 69 years old with mental health she says she has legal guardianship but has no paperwork to show.
