Re: Open Public Records Act Request

The Hanover Township Board of Education ("District") records custodian received your Open Public Records Act ("OPRA") request.

Your OPRA request seeks the following records:

All email conversations set from or received from current board members from September 1st through September 30th 2023, in which the word "5756" appears.

OPRA allows the records custodian to seek extensions of time pursuant to N.J.S.A. 47:1A-5i. The District anticipates requiring an additional four weeks (until December 11, 2023) to compile, review, and produce the potentially responsive records in accordance with New Jersey law. The District also reserves the right to request an additional extension of time if necessary. See Scheeler v. New Jersey Department of Educ., GRC Complaint No. 2014-123 (2016).

Thank you for your anticipated cooperation.

Very truly yours,
