Government Records Request

Receipt

The Division of Criminal Justice (the Division) is in receipt of your OPRA request detailed below. The Division does not make or maintain records responsive to your request. Accordingly, your request is denied.

While the Division has not identified any responsive records, related records may have been destroyed pursuant to New Jersey's Records Retention Schedule based upon the age of the matter.

Notwithstanding that denial, the Division can advise you that a historical record responsive to your request can be located through a Google web-search for "State v. Stephen Fiverson." This record appears to be from Office of the Attorney General's legacy website and consists of a 2001 report purportedly created by DCJ's then Environmental Crimes Bureau. DCJ did not locate this record internally after a records search. You can access this PDF record through the following link: https://www.nj.gov/lps/dcj/ecb/report_2001.pdf

Further, Division can advise you that if additional responsive records still exist, they may be maintained by the New Jersey Judiciary. You may wish to file a request for these records directly with the New Jersey Administrative Office of the Courts. You can find out more information on requesting New Jersey court records through the following link: <https://www.njcourts.gov/courts/superior-court-clerks-office/copies-court-records>

The Division reserves the right to claim additional grounds for denial not raised in this response.

This request is considered closed at this time.

Your request for government records (# C241137) is as follows:

Dear New Jersey Division of Criminal Justice,

Please accept this electronic request for public records made under OPRA and the common law right of access. I am not required to fill out an official form or use a particular software platform to submit my request per NJSA 47:1A-6(f), which states that an email from a requestor including all of the information required on the adopted form shall suffice in place of a completed form as a valid government record request.

I HAVE NOT been convicted of any indictable offense under the laws of New Jersey, any other state, or the United States.

I WILL NOT use the requested government records for a commercial purpose.

Records requested:

1. Charging documents, including any complaints, accusations, or indictments, in State v. Stephen Fiverson, Accusation Nos. 01-08-576A & 575A (Hudson County, 2001).
2. Any plea agreements, plea forms, or statements of factual basis entered by Mr. Fiverson in those matters.
3. Judgments of conviction, sentencing orders, or final dispositions issued in connection with these accusations.
4. Any press releases or official summaries prepared by the Division of Criminal Justice relating to Mr. Fiverson's plea or sentencing.

Please provide the records electronically if possible (PDF format by email). If any portion of the requested records is exempt, please redact only the exempt portions and provide the remainder as required by OPRA. My preferred delivery method for response(s) to this request is by E-mail as attachments. Please confirm you have received this request. If you are not the custodian of records, please forward my request to that person and provide their email address to me for future reference.

Yours faithfully,

Marc Cooperman
