The document tracking "federal days" for all special education due process proceedings that were initiated from January 1, 2014 to present, regardless of whether such cases are currently open or have been closed for any reason. By this request, we mean to identify the spreadsheet, database, or other tracking document maintained either by OSEP or the OAL to track, on a case by case by case basis, compliance with the IDEA's mandate of 45-day case disposition for due process petitions. 34 C.F.R. 300.515(a). The specific information we seek as to each case is (i) the docket number (to permit follow-up requests for additional records, if necessary), (ii) the date the due process petition was received by OSEP, (iii) the date of transmittal to the OAL, (iv) whether the case has any special characteristics (e.g., expedited disciplinary proceedings, actions for emergent relief, etc.), (v) any "specific extensions of time . . . [granted] at the request of either party," per 34 C.F.R. 300.515(c), and additionally, if the case has concluded, (vi) the date the final decision was reached, (vii) the date the final decision was mailed to each of the parties, and (viii) whether the case was resolved other than on the merits (e.g., by sufficiency challenge, for failure to appear by either party, by voluntary dismissal, or otherwise). To the extent that this information is not contained in any single document, we request that you generate a report (if you are able) containing the requested information, pursuant to *Paff v. Galloway Twp.*, 229 N.J. 340, 357, 162 A.3d 1046, 1056 (2017) (holding that OPRA permits requests for information, even if not contained in a single document).

All communications (including but not limited to written correspondence and emails) during the same time period, and between OSEP and the federal Department of Education, that attaches, encloses, or refers to New Jersey's compliance with the 45-day deadline contained in 34 C.F.R. 300.515(a), as well as all attachments or enclosures accompanying such communications.
