This is also a Common Law Right of Access a US, NV and NJ Constitutional right which REMOVES ALL OPRA restrictions and any redactions MUST be supported by a balancing test for each item redacted or not provided. I am the Property owner of the said property but also have a home in Nevada as we fled NJ for our safety as we received 4 death threats after I testified against State, Borough of Stanhope officials and employees and its bribed uncontracted person John Cilo Jr. PE who had no valid contract as reported by the Municipal clerk Ms Robin Kline, RMC who was retaliated against as noted in my own letters to office of Gov which did in fact never get a reply shown in the directory <http://thomascaggiano.com/pdf/> as she reported official corruption to the State Police, FBI as did the Town administrator Richard Stewart who was fired and also the Township of Wantage Court administrator Tania Ell, Sussex County Superior Court Sussex County scheduler Kay Mack and others. Ref my letter to Gov Christie and his Lt Gov on <http://thomascaggiano.com/Christie.pdf> with other adopted references in <http://thomascaggiano.com/corruptgovernment.pdf> and US Attorney Sessions on <http://thomascaggiano.com/WHITEHOUSE.pdf>.

I request b email a copy of the log entries, date, person taking action, action taken, comments in log by Office of gov staff, sent to, subject, et. al. from Thomas Caggiano to the office of Gov Office of Constituent Relations and documents from Jan 1, 2004 to Sep 15, 2017 concerning official corruption NJ, the the attorney generals under Jon Corzine and Christie Christie who was protected by his personal attorney Chris Wray, Esq. I reported corruption of the GRC, his Dept of Community Affairs, Police and Judges, counties and municipalities as noted on <http://thomascaggiano.com/index.pdf> and <http://thomascaggiano.com/POLICE.pdf>

I request copies of my letters to Christie's Chief of Staff and Press spokesperson from Jan 1, 2013 to Sep 16, 2017 concerning the cover-up in Bridgegate as NO person has had criminal charges filed against anyone on Bridgegate by any NJ Attorney General or County Prosecutor. I request a copy of the letters and post cards I mailed the gov and Lt Gov during the same time frame on the criminal syndicate I noted to the ACJC th replied five judges in Vicinage X all were violated court rules in that they violated NJSA 2C:30-6, 30-7, 5-1.c, 5-2.b and other crimes noted to the Chief Justice Rabner on <http://thomascaggiano.com/RABNER.pdf> and Senate President <http://thomascaggiano.com/SWEE-NEY.pdf>. I am banned from entering any structure in Sussex county any court any fast food store, and from submitting Common Law rights of Access to the corrupt Sussex County Board of Chosen Freeholders or Sheriff. Per the GRC no non-citizen can request any govt record nor examine any record. This prevents me as a property owner from examining State, County and municipal codes and DMV laws one MUST comply. many Judges have ignored the GRC and issued costs for attorneys fees to those the submit complaints to the court on OPRA rather the corrupt GRC which provided Dishonest Service Fraud under Christie's entire tenure by his corrupt commissioners of Community Affairs, Secretary of Education, GRC Chair and other attorneys thereon all violating codes of Ethics Rules of professional conduct and giving aide to prevent the detection of criminal conduct by issuing fraudulent findings. The response will be provided the

FBI per one's public duty under 18 USC Section 4 misprision of felony. The GRC attorneys violated RPC 8.3.a and 8.3.b protecting judges and attorneys and their municipalities. The Supreme Court OAC also directed Mercer, Sussex and Morris County Superior Court MDM to get my own court records from municipal courts for 7 years and the Superior Court MDMs ignored the direction of the Supreme Court's OAC known to newspapers coast, , members of Congress and NJ Attorney generals criminal division which has over 800 pages of criminal tip line reports. The US DOJ Office of Professional Responsibility (OPR) in response to my FOIA provided me over 1,500 pages of email complaints concerning DOJ officials that have protected the State of NJ officials, Gov, Attorney Generals, judges, et al. See FreedomNewsDigest.com and <http://thomascaggiano.com/DOJOPR.pdf> for additional relevant materials to support Standing for this Request for Information and Common Law Rights of Access.

Requested Information: Hello - I am writing to request a tax assessor's database of properties for the state of New Jersey, specifically how each property is listed with their block and lot number for each county. For example, in the Property Tax search engine at yourmoney.nj.gov, you're able to search within counties with a property's block and lot number, and it will reveal the property address of said property. I am requesting an electronic database, preferably in Excel or CSV format, that lists residential properties, their associated county, their block number, and their lot number. Please feel free to contact me with any questions or concerns. Thanks so much for your time.

Requesting Access to Government Records Under the New Jersey Open Public Records Act (N.J.S.A. 47:1A-1 et seq)

1. All government records are subject to public access under the Open Public Records Act ("OPRA"), unless specifically exempt.
2. A request for access to a government record under OPRA must be in writing, hand-delivered, mailed, transmitted electronically, or otherwise conveyed to the appropriate custodian. N.J.S.A. 47:1A-5g. The seven (7) business day response time does not commence until the records custodian receives the request form. If you submit the request form to any other officer or employee of the Agency you are requesting records from, that officer or employee must either forward the request to the appropriate custodian, or direct you to the appropriate custodian. N.J.S.A. 47:1A-5.h.
3. Requestors may submit requests anonymously. If you elect not to provide a name, address, or telephone number, or other means of contact, the custodian is not required to respond until you reappear before the custodian seeking a response to the original request.
4. The fees for duplication of a government record in printed form are listed on the front of this form. We will notify you of any special service charges or other additional charges authorized by State law or regulation before processing your request. Payment shall be made by cash, check, or money order payable to the Agency from which you are requesting records/documents.
5. ***You may be charged a 50% or other deposit when a request for copies exceeds \$25.00.*** The records custodian from the Agency from which you are requesting records/documents will contact you and advise you of any deposit requirements. You agree to pay the balance due upon delivery of the records. Anonymous requests in excess of \$5.00 require a deposit of 100% of the estimated fees.
6. Under OPRA, a custodian must deny access to a person who has been convicted of an indictable offense in New Jersey, any other state, or the United States, and who is seeking government records containing personal information pertaining to the person's victim or the victim's family. This includes anonymous requests for said information.
7. By law, the Agency from which you are requesting records/documents must notify you that it grants or denies a request for access to government records within seven (7) business days after the agency custodian of records receives the request. If the record requested is not currently available or is in storage, the custodian will advise you within seven (7) business days after receipt of the request when the record can be made available and the estimated cost for reproduction.
8. You may be denied access to a government record if you request would substantially disrupt agency operations and the custodian is unable to reach a reasonable solution with you.
9. If the Agency from which you are requesting records/documents is unable to comply with your request for access to a government record, the custodian will indicate the reasons for denial on the request form or other written correspondence and send you a signed and dated copy.
10. Except as otherwise provided by law or by agreement with the requester, if the agency custodian of records fails to respond to you within seven (7) business days of receiving a request, the failure to respond is deemed a denial of your request.
11. If your request for access to a government record has been denied or unfilled within the seven (7) business days required by law, you have a right to challenge the decision by the Agency from where you requested records/documents to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey, or file a complaint with the Government Records Council ("GRC") by completing the Denial of Access Complaint Form. You may contact the GRC by toll-free telephone at 866-850-0511, by mail at P.O. Box 819, Trenton, N.J. 08625, by e-mail at grc@dca.state.nj.us, or at their web site at www.state.nj.us/grc. The Council can also answer other questions about the law. All questions regarding complaints filed in the Superior Court should be directed to the Court Clerk in your County.
12. Information provided on this form may be subject to disclosure under the Open Public Records Act.

While I own [redacted] NJ [redacted] I am not a citizen of NJ but NV. This is also a COMMON LAW RIGHT OF ACCESS a US, NJ and NV Constitutional Civil right which

While I, Thomas Caggiano and Kathryn Caggiano, my wife since 1970 own [redacted] NJ [redacted], I am not a citizen of NJ but NV. We left NJ for our safety as Kathryn Caggiano recieved three death threats agaisnt me after I testified under oath at a Borough of Stanhope's Land Use Board meeting agaisnt State, Count and municipal officials and the bribed professional engineer John Cilo Jr who had no valid contract wit his employee Professional Planner S. Doyle for more then a generation and tax fraud, mail fraud, criminal disbursement of federal, state, county and municipal funds has now been constant for over 30 years as known to US Attorney Generals Holder, Lynch and sessions and all NJ attorney Generals during the Jon Corzine and Christie administrations as I reported the tax fraud to the IRS both federal and NJ IRS, mail fraud to USPS inspector generals and filed over 900 tip line criminal tip line complaints to the NJ AG's

criminal division as well as thousands of pages and Morris County Assignment Judges court videos showign the corrupt Jduges and governemtn municipal attorneys on the court video adn tis court files provided teh FBI years ago. , audio recordings to the FBI from Las vegas, NJ and Washington D.C.

This is also a COMMON LAW RIGHT OF ACCESS a US, NJ and NV Constitutional Civil right which removes all OPRA restrictions and MUST be evaluated on a case by case basis if any item has redacted a reason MUST be given for each redaction. I adopt my 41 page submittal to the NV Attorney General concerning the criminal syndicates in the US, NV and NJ governments including the Gov and Attorney General of each state, their State courts, and others. That filed report is adopted by reference in my FBI report published on <http://thomascaggiano.com/171026bitip.pdf> and was emailed many NJ Senators, members of the Assembly, Star Ledger, other newspapers, my federal senators Masto and Heller and Congressman, news organizations by Inside on the Outside publisher of thomascaggiano.com and FreedomNewsDigest.com which further defines the corruption in the State of NJ under Jon Corzine and totally corrupt Christie administration known to Chief Justice Rabner thomascaggiano.com/RABNER.pdf, Senate President Sweeney thomascaggiano.com/SWEENEY.pdf, the Whitehouse, US Attorney Sessions, former corrupt FBI director Comey, and his replacement the corrupt Chris Wray whose law firm was paid over \$ 3.2 million to defend gov Christie on Bridgegate as the State is corrupt and does NOT enforce its laws as stated by Gov Corzine as shown by Bridgegate not a single person was ever charged with any crime or even

harassment on the closing down of several lanes, causing havoc, told falsehoods by attorneys that traffic studies were the reason but as shown by Federal convictions, the act was planned and executed as retaliation against a democratic for in FT Lee fro he did not support Gov Christie's re-election. As shown by 5,010 pages of emails I received from the DOJ Ofc of Professional Responsibility on Aug 31, 2017 in response to F17-00023 The State of NJ and NV are both criminal syndicates as their gov do NOT assure laws are enforced, have corrupt Cabinet officials such as those on the GRC under Corzine and Christie as the GRC under MER-C-102-07 has banned me from every open public meeting in the entire Department of Community Affairs except its own Mtg when my complaints are on its agenda but for over 8 months has NOT put my complaints on its agenda against the Township of Wantage which submitted via Sen Lesniak's law firm perjured submissions to the GRC, the Morris and Sussex County Courts and the US District Court of NJ know to NJ Congressman, Senators and members of Assembly, Board of Chosen Freeholders Morris County and is corrupt prosecutor, local police thomascaggiano.com/PARSIPPANYPOLICE.pdf and US Courts thomascaggiano.com/FRAUD.pdf, thomascaggiano.com/USCOURTS.pdf and others for as stated by Trump, the establishment protects itself. I request a copy by email of Common Law Rights of access requests responses submitted by the Office of Gov in 2016 and 2017 to requesters. I request a copy of the contract and disbursements the State of NJ had with Chris Wray concerning Bridgegate. I request a copy of each email sent in from Jun 1, 2017 to the record custodian from thomascaggiano@gmail.com and copies of their distribution to others in the Office of gov as well as responses. I request a copy of the job description fro those persons in the Office of gov that are responsible for responding to Common Law Rights of Access. I request a copy of the organization chart and list of

employees for 2017 for persons responsible for responding to OPRA and Common Law rights of Access. I request a copy of the training given Office of gov Staff from Jan 1, 2014 on how to respond to Common Law rights of access. I request a copy of each submittal to NJ Superior Courts by the Office of Gov or NJ Attorney General or Div of Law on behalf of the gov for each denial of access filed with a NJ superior Court for denial of access via OPRA or Common Law right of Access by the Office of gov or its agent to the superior court. If any of these records were destroyed I request a copy of its record of destruction. I request a copy of the record of destruction for each email sent from thomascaggiano@gmail.com to the OPRA custodian for Gov of NJ under the Corzine administration. The response is NOT required until Nov 12, 2017 as a search of records NOT research may be required. the records will be provided the NJ Attorney generals Special Prosecution branch AFTER the corrupt Gov Christie leaves office and is replaced by a Democratic Gov for LT Gov under Christie is totally corrupt as known by NJ senators, members of the Assembly that provide dishonest service fraud and violate 18 USC Section 4, NJSA 2C:2-1, official duty and its attorneys Codes of Ethics RPC 8.3 reporting requirement ref thomascaggiano.com/POLICE.pdf as every assistant NJ attorney general is shown to be corrupt under Christie Admin as well as FBI., US attorney general Sessions, newspapers coast to coast.

I have never been convicted of any indictable offense.

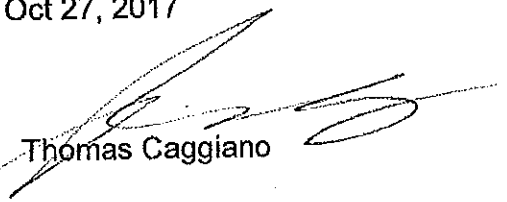

I authorize \$50 for the response.

Respond by email to thomascaggiano@gmail.com

Commonlaw right of access is a US, NJ and NV Constitutional right and I have Standing as shown on the US District Court order published on
