Good Day

I'm trying to find out if you release Plan Holders Lists? I can't find anything in the project itself on the website. If you do release them, I would like to request a copy via the Open Public Records Act.

Thank you very much for your time. (CJ#1454058)

Bid Protest Paperwork

Dobco Inc is requesting all paperwork received from all bidders and all associated attorneys related to the NEW SENIOR HIGH SCHOOL including but not limited to 14 submission referred in the decision issued by the NJSDA on 4-27-17 (on Page 7):
The decision on whether an informal hearing will be held is in the sole discretion of the NJSDA.
"Informal hearings are for fact-finding purposes for the benefit of the Authority and the Authority shall have the sole discretion whether to hold an informal hearing." N.J.A.C. 19:38B-9.3. In connection with the instant bid protests, the parties have submitted fourteen (14) submissions to the NJSDA, some with numerous exhibits and certifications. Bock itself has tendered four (4) substantive written submissions. As such, Bock has had ample opportunity to submit any proofs that it asks the NJSDA to consider on this point, but has failed to do so.
Under the foregoing set of facts, there is no need to undertake a fact-finding inquiry since all of the relevant facts are already available to the NJSDA. As such, the NJSDA declines to reject Hall's bid on the speculative grounds raised by Bock on this point.
